Mr. Michael Dicken, Superintendent
Gloucester County Vocational-Technical School District
1360 Tanyard Road
Sewell, NJ 08080

Dear Mr. Dicken:

The New Jersey Department of Education (Department), Office of Career Readiness has received the Corrective Action Plan (CAP) developed by your district in response to the Department's Consolidated Monitoring Report for the 2013-14 and 2014-15 fiscal years.

Your district's response included appeals of Perkins findings number thirteen and fifteen. As a result of our review of the CAP and supporting documentation the district provided, the district's appeal of these findings has been granted and no further action is required on your part. Accordingly, the review file is considered closed.

The Department appreciates your time and the cooperation of you and your staff during the monitoring and follow up visits. If you have any questions related to this monitoring response, please contact Sharon Fleming, Perkins Grant Coordinator via email at sharon.fleming@doe.state.nj.us. For general Perkins Grant questions, please contact Lin DiRenzo, Education Specialist and Perkins Program Officer, at the Gloucester County Office of Education at 856-686-8374 or via email at lin.direnzo@doe.state.nj.us.

Sincerely,

Laura C. Morana
Acting Chief Academic Officer
