Dear Parents,

Yealey Elementary is one of several Title I schools in Boone County. We are a School-Wide Title I Program which means there are no qualifiers to receive services provided or programs purchased through the federal funds that are supplied through a Title I designation. ALL children at Yealey Elementary can benefit from the additional funding that supports our commitment to a quality education for every child. A detailed explanation of how Title I funds are used at Yealey will be explained at our annual Fall Meeting. Flyers will be coming home soon with details about date and time.

In accordance with the Title I, Part A Program Requirements, we will provide you with the following:

- ❖ Yealey's Title I Family Involvement Policy
The 2023-2024 Policy can be found in your child's agenda on pages 14-15.
- ❖ The District Improvement Policy is available for review at:

- ❖ Yealey's Parent/School Compact Brochure
This information highlights how parents, the school, and teachers will work together to ensure a quality educational experience for your child and is grade level specific. Important dates are also included. It is a separate document that is located
- ❖ Parent Notification of Teacher Qualifications
Boone County Schools is committed to employing quality teachers and school staff. All teachers at Yealey Elementary are highly qualified in accordance with Kentucky's Education Professional Standards Board requirements.
- ❖ School/District Report Cards
These Report Cards, updated annually, provide information about each District and school including achievement, teacher qualifications, student safety, awards, parent involvement, etc. The most recent Report Cards can be found at:
