DEPARTMENT OF TRANSPORTATION
Mrs. Erica Ford, Transportation Supervisor

Dear CTC families,

We are excited about the new school year! We can't wait to be a part of your high school journey! Below you will find information about CTC pick up/drop off location, pick up/drop off times, bus assignments, and student parking. We are asking all students to complete the transportation survey.

Transportation Survey

Please complete this [short survey](#).

CTC Pick Up/Drop Off Location

This year the buses will be parked in front of the new Tech Center- on the side with the large garage doors. They will be in the same location in the morning and in the afternoon.

CTC Bus Times

Morning: Students need to be out and ready to board the buses by 7:10. Buses will pull away at 7:20. Once a bus is in motion, it will not stop to pick up a student who is running late. Please make sure you are on time.

Afternoon: Buses will arrive at Wayne at approximately 3:00.

Bus Assignments

Students will be assigned a bus based on the first letter of their last name. It is important that we have an accurate list of students on each bus. Please stay on the bus to which you are assigned.

Last names A-I - Bus 8

Last names J-R - Bus 19

Last names S-Z - Bus 27

Student Parking

Student parking will be in the new lot on the side of where the buses are parked; directly in front of the Tech Center.

Thank you,

Huber Heights Transportation Department
