**The Oregon Episcopal School college counseling team works closely with students as they search for colleges in which they will thrive.** We combine individualized advice with programs and resources designed to help students—and their families—navigate the search and application phases thoughtfully.

Throughout high school, we provide guidance, perspective, and timely information intended to demystify the process and encourage wise choices. Our approach at OES seeks to have students make the most of their high school experience in a healthy, balanced manner.

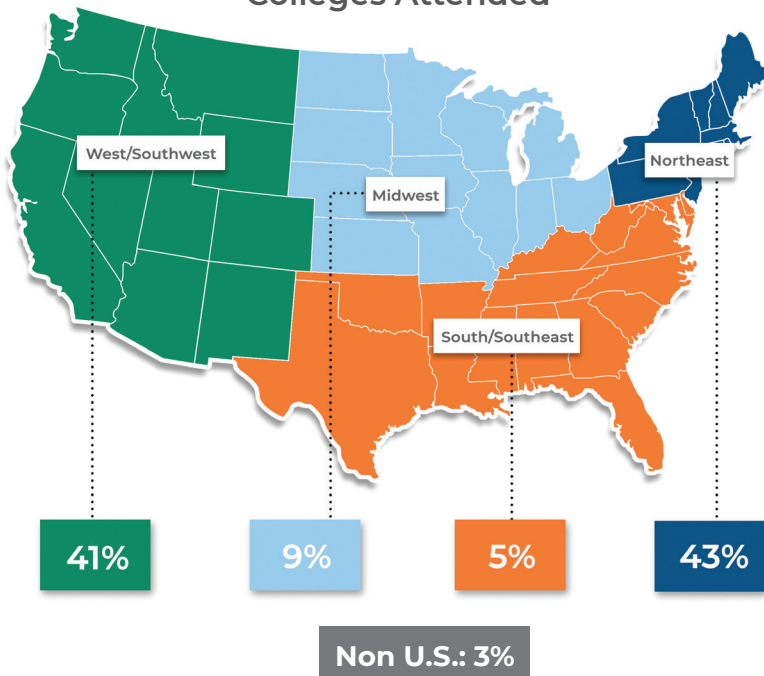

## COLLEGE NIGHTS FOR PARENTS/GUARDIANS

We offer workshops for parents/guardians, tailored by grade level, to learn about the college search process, and a presentation on financing college.

## COLLEGE ATTENDANCE

Graduates of OES attend an impressive array of colleges throughout the United States and internationally. OES has an excellent, well-established reputation with colleges across the country and hosts visits from over 130 college representatives in a typical year.
