**MONTICELLO ATHLETICS POINTS OF PRIDE**

*Comprehensive Approach to Athletics...* The future stars of Jasper County varsity teams are currently excelling at the middle school level. Accomplishments over the past two years has set the stage for excellence at the high school. Over the past couple of seasons, JCMS student-athletes have earned multiple league championships and 2<sup>nd</sup> place finishes. middle school students also have the opportunity to experience a strength training class during the school day.

*Competing at a High Level...* Over the past three years, high school athletic programs have made the state playoffs 26 different times. In addition, 47 individual student athletes in different sports have qualified for state. The class of 2023, had seven student-athletes to accept college scholarships.
