

MEET THE TEACHER

PERSONAL

My name is Katy McCombs and I'm the Parley's PACE teacher! I love to challenge students to learn everyday.

BACKGROUND

I hold a Master's Degree in Gifted & Talented Education. My family & I moved to Utah from Steamboat Springs, CO.

FUN FACTS ABOUT ME

I have a big passion for reading and the outdoors. The picture above is of my and my family in Steamboat. My husband is Chris. Both our daughters, Kaiya and Keely, attend the University of Utah. My dog is a chihuahua/jack russel mix and his name is Kobe. At Parleys, I encourage students to read, be curious, spell, create, understand metacognition, and challenge themselves.
