Dear 10th, 11th and 12th Grade Students:

The Greenwich High School staff and I welcome you back from what we hope has been an enjoyable summer break.

The first day of school is Friday, September 1 and it is a full day of school. When you arrive you will report to your Advisor Base classroom. Buses will run on a regular schedule. The bus schedules are available on the [Transportation department webpage](#). This year we will be issuing digital ID's, which you will have on your phones. If you do not have a phone, you will receive a physical copy of the card and a lanyard from the student activities office. ID cards must be carried at all times when you are in our building and when you ride the bus.

Aside from the construction of the new entryway, we have made several other improvements to our facility. New furniture for our student center has arrived and has been installed. We are excited by this innovative addition to our school and to preserve the integrity of the design, please do not move the furniture around. I am also asking all of you to clean your tables and recycle properly when school opens in September. I will speak more about construction, our student center and recycling during our opening assemblies.

This letter will also serve as a reminder that leaving campus during the school day is a privilege that is reserved for only the Senior Class during their open time. Please understand that each of the other classes must remain on campus at all times.

A schedule of varsity and junior varsity sports tryouts can be found on [GHS' athletic department webpage](#). If you need additional information on the athletic program, call the Athletic Department, at 625-8050. Athletes must register online and complete medical forms prior to tryouts or practice sessions.

The Advisor Base locations and the schedules for Friday, September 1, Tuesday, September 5 and Wednesday, September 6 are posted on the [GHS website](#). Enjoy the remaining days of your summer vacation. We look forward to seeing you refreshed and ready to go on Friday, September 1.

Sincerely,

Ralph F. Mayo
