

2023-2024 Spring Branch ISD Ticket Information

Spring Branch ISD announces new ticket policy and prices to attend SBISD athletic events held during the 2023-2024 school year.

SBISD will no longer sell cash tickets at athletic contests. All tickets must be purchased online for events held within SBISD through GoFan. Additional GoFan service fees will apply.

Please download the GoFan app or go to the GoFan webpage at: <https://gofan.co>.

Fans may also purchase online tickets by scanning a QR code on display at the contest site.

Presale online varsity football single game tickets during the regular season will cost \$7 per adult and \$4 per student. A general admission online varsity football single game ticket for students and adults will cost \$8 on game day four hours prior to kickoff.

A Season Ticket for varsity football is also available and may also be purchased online through GoFan.

The online single game ticket price for all other regular season athletic events at SBISD high schools, middle schools and other SBISD venues will cost \$4 for adults and \$3 for students.

An online Punch Pass is also available and may be purchased online through GoFan for a 25% discount off the single game ticket price. Each Punch Pass consists of 20 adult tickets or 20 student tickets. The online Punch Pass costs \$60 for adults and \$45 for students.

The online Punch Pass is valid only at SBISD venues for all middle school athletic contests, and is also accepted at high school volleyball, basketball, soccer, track, baseball, softball, swimming, water polo and sub-varsity football contests.

The online Punch Pass is not accepted at varsity football games or any postseason contest.

An unused online Punch Pass does not transfer from one school year to the next.

SBISD residents, 65 and older, may receive a Star Card which entitles the cardholder free entry to extracurricular activities held at SBISD venues where tickets are sold.
