OSAA COOPERATIVE SPONSORSHIP

RELEVANT DATA:

Full member schools, located in the same geographic area, may apply for cooperative sponsorship for an OSAA activity when a school has difficulty sponsoring the activity by itself.

The following programs are applying for cooperative sponsorship:

- Boys Soccer – Thurston High School and Mohawk High School, three-year agreement 2022-2025
- Dance Team/Drill – Thurston High School and Mohawk High School, two-year agreement 2022-2024

Support for these applications will make activities available for students that would not be available in their resident school because of a lack of numbers if joint sponsorship did not occur.

RECOMMENDATION:

It is recommended that the Board of Directors support the OSAA Cooperative Sponsorship Applications for Boys Soccer and Dance Team/Drill between: Thurston High School and Mohawk High School.
