To just jump into the next activity, **click Next Activity** from the Dashboard:

The screenshot shows the Edgenuity dashboard. At the top left is the Edgenuity logo. At the top right, it says "Hello, S" with a red arrow pointing to it. Below the header are four course tiles, each labeled "ELECTIVES". The first tile is "Digital Arts I - EL5719" with a progress bar at 0% complete and a "Next Activity" button. The second tile is "Digital Arts II - EL5720" with a progress bar at 0% complete and a "Next Activity" button. The third tile is "FCAO AP French Language and Culture - WL9616" with a progress bar at 0% complete and a "Next Activity" button. The fourth tile is "FCAO AP Psychology - EL5180 SP2019" with a progress bar at 0.5% complete and labeled "BEHIND", and a "Next Activity" button. A red arrow points to the "Next Activity" button on the first tile.

To see what assignments are due each day, **click the name of the class**:

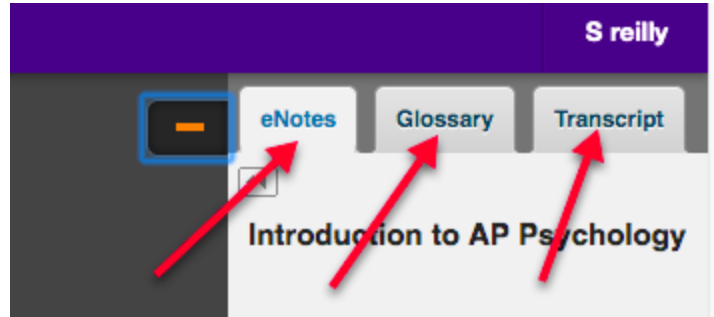

The screenshot shows the "Course Map" interface. At the top, it says "UNIT: HISTORY AND APPROACHES" and "Topic: Course Introduction". Below this is a purple bar labeled "Introduction to AP Psychology" with a plus sign. A vertical timeline on the left shows two dates: "JAN 22" with a person icon and "JAN 22" with a warning icon. The "JAN 22" with the warning icon is highlighted with a blue box. To the right of this box, it says "Warm-Up" with a red warning triangle icon, "Get ready for the lesson.", and "Estimated Time: 2m". Below this, it says "Instruction" with a red warning triangle icon, "Introduction to AP Psychology", and "Estimated Time: 5m".

You can scroll through all of the upcoming assignments.

While you are watching an instructional video, click the orange PLUS sign on the right, to get access to (1) eNotes, (2) Glossary, and (3) Transcript.

eNotes = space for you to type notes while you are watching the video. These notes are then available to you when you take quizzes.

To progress through the class, **click the right arrow** under the video, when you are completely done with that activity, **click the right arrow** at the bottom of the screen.

To check your attendance (time spent working online), click the Hello in the upper right, then select Profile, then click Attendance Report.

You will see how much time you spent for the whole week, and it is broken down into time working and "idle time" (time you were logged in but not actively clicking).
