

APEX Classes

Most of the FCAO online classes run on the Edgenuity platform, but the following courses run on APEX:

- Business Law
- Marketing
- Sociology

Things You Need to Know About APEX Classes:

To log in:

Go to clever.com/in/fcasd

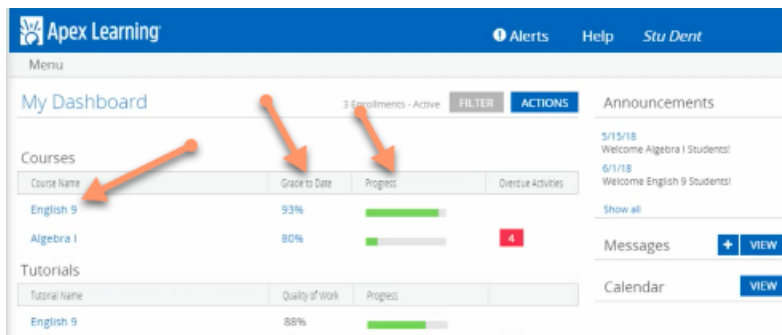

Click “Login with Email”

Log in with your regular school login (username = your full email)

Click the APEX icon.

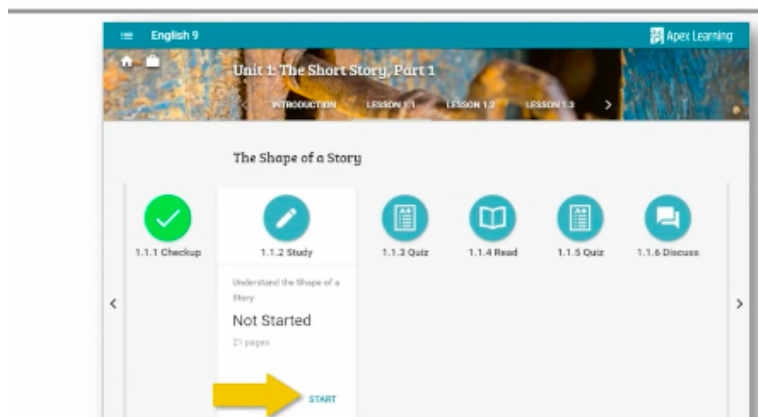

Once you are in, you will be directed to your dashboard, which will list your APEX classes. Click the class name to get into the class.

Your grade is listed on your dashboard, as well as a progress bar.

Classes consist of units, lessons, and activities:

Course Window Navigation

At any time, click the Help button in the upper right of your dashboard and access tutorial videos that will show you how to navigate APEX.

APEX courses are not self-paced. Follow the course calendar in the system. Read the late work policy in the teacher's syllabus and keep in touch with your teacher if any questions arise.
