

June 13, 2022

Attached are copies of the written public comment submitted to the school board prior to the June 13, 2022 business meeting.

Four submissions are not included in the public posting as they do not comply with School Board Policy: [BDDH Public Comment at Board Meetings.](#)

The Board will not hear comments regarding any school personnel. We ask those speaking to refrain from using names and titles of school personnel. Any complaints regarding a particular employee must be processed through the procedure set forth in Board policy KL, which requires that complaints be submitted in writing to the Superintendent. This procedure must be followed before there is any Board involvement with such issues.

Best,

Executive Assistant to the Superintendent  
Board Secretary

Dear School Board Members,

When the Board meeting begins this evening, I will very much appreciate hearing you share a Land Acknowledgment. Thank you for that. And thank you, also, for the information in Spanish about offering public comment on the website and for translating the agenda into Spanish. Although it may take a while before members of the immigrant community understand that they are welcome and feel comfortable participating, you have taken significant steps in that direction.

Sincerely,
