WELCOME

We are so excited for school to begin. Our goal is to foster a culture of respect, understanding, and empathy, to make a lasting positive impact on the lives of all our students. This effort will require the collaboration of students, staff, parents, and the community. We look forward to see the impact we can create together.

COMMITTEES

Committee sign-ups for 2023–2024 school year are happening now. Sign-up here. We need help with traffic, publicity, fundraising, & philosophy.

THANK YOU

To ensure a safe and secure environment students must remain on campus once they arrive. Students who need to leave campus during the day need to be checked out by a parent/guardian at the front office. Thank you for your cooperation.
