- Report from the Teacher Representative: Mrs. Gamble - Having the Baron on stage for Race has been a great motivator! Message the child's teacher if you are unsure about parents to lunch for Book Fair. Mrs. McMechen - Thanks to all the reading coaches for helping the children's reading!
- Principal's Report: Miss Marrolli - Thank you to all volunteers for picture day. Rapunzel is booked for March 24th at Fulton Theatre. The office is sending a message for parents to lunch for Book Fair and for Race for Education volunteers. Baron's breakfast is starting with Mr. Fink. Excited to see Race for Education money coming in. Office is looking for feedback for Back to School night. Two suggestions were to make parents aware it is not necessarily for kids to be at and it is a program that starts at 6.
- Treasurers' Report: Banks have been switched from PNC to Ephrata Bank due to location to the school. PNC will be closed before the new year, but we still have \$2803.41 in checks that need to be cleared. PTO account has \$92,101.10. We are a non-profit so we are trying to determine if we are being penalized on our taxes for carrying too much. Anything over \$300 coming from the PTO budget needs to be voted on (not sure if meeting or just board, but thinking of a meeting). Stauffer's rewards is done due to their new program of gift cards only. Box tops and Amazon Smile flyers went out. Box tops can be emailed receipts from places like amazon and walmart.com.
- Old Business
 - Picture Day: Thanks to all the volunteers!
 - Hearing Screening: Thanks to all the volunteers. A question was posed asking if we are cleaning headphones between each student. Will need confirmation from the nurse's office.

- o Room Parents - 3 left without parents. Mrs. Herzer, Mrs. Barr and Mrs. Artz
- New Business
 - o Fall Book Fair/Parents to Lunch: Have all the volunteers to set up Thursday. Teachers, make your wish lists Friday please. If you see your book, make a pile. Teachers are at middle school Friday. Stack books you want in black bins with post it notes when you can. We need more volunteers throughout the week. Especially 10/13, 10/14 and 10/17. Don't volunteer while you are doing your child's lunch. Lots of responses from parents coming in for lunch. Sign up genius for volunteers will be on blackboard email going out tomorrow.
 - o RACE for Education: We are at \$13, 328.50. 265 shirts have been ordered and will be in the 14th-19th. Hat day still waiting for a date. Sending a blast on seesaw and blackboard about race and hat day. T-shirts will be here before Race so kids can wear them. Teachers have pencils for everyone. People want to know who donated to their kid so they can send thank you's. How can we accomplish that?
 - o Holiday Craft: Elizabeth is chairing the event. Zoom meeting will be done to figure out crafts. October 31 crafts will be chosen by going classroom to classroom.
 - o Conference Meals: No chair person yet.
 - o Science Night: November 10th. Doe Run is hosting the high school science night due to construction at the high school. High school science club does all the work.
