  - Create user name and password.
  - Enter email address and mobile number.
  - Set up a security question.
  - Review and accept End User License Agreement (EULA).
2. Log on.
3. Verify email address.

## NEW STUDENT/SIBLING:

### ENROLL A NEW STUDENT:

1. From the My Account page, click **Enroll a New Student**.
2. Complete New Student Enrollment.
  - Enter full name.
  - Enter address and contact information.
  - Enter student information.
  - Upload required documents.
  - Complete enrollment forms.
3. If necessary, click **Save and Continue Later**.
4. Once complete, click **Enroll Student** to submit to district.
5. Print the confirmation for your records.

See Online Help for further assistance.

### ADD AN EXISTING STUDENT TO YOUR ACCOUNT:

1. Obtain a ParentPortal ID from the student's campus.
2. From the My Account page, click **Link an Enrolled Student**.
3. Enter the student's birth date and ParentPortal ID.
4. Click **Add**.

## EXISTING STUDENT

### DURING THE REGISTRATION WINDOW:

#### Submit Registration for the upcoming school year.

1. From the Summary page, click **Registration**.
2. Click **Start Registration**.
3. Complete all forms. There are several types of forms:
  - **View only:** Click **Next Form** to confirm that you viewed the form.
  - **Download:** Click **Download Attached Document**.
  - **Review and update:** Add or change data as needed.
  - **Contacts:** Click **Add User** to add a new contact.
4. Click **Next Form** until you have reviewed and updated all forms.
5. Once finished, click **Finish and Submit to District**.
6. Print the confirmation for your records.

### OUTSIDE THE REGISTRATION WINDOW:

#### Submit student data updates for the current school year if needed.

1. From the My Account page, click **Maintain Student Data**.
2. In the left-side navigation bar, click **Existing Year Student Maintenance** to expand and view the forms that can be updated.
3. Click the form name, and the form opens on the right.
4. Type over existing text with new information.
5. For each form you update, click **Submit Data with Electronic Signature**.
6. Click **Next Form** to continue to the next form.

### WHAT HAPPENS NEXT?

All data changes submitted via ParentPortal must be reviewed by an administrator before the student's record is updated.

If a submitted change is rejected, you will be notified by email. The email message should inform you why the change was rejected and what to do. Contact the student's campus for more information.
