

# Attention TSD Families

**TSD  
National  
School  
Breakfast  
Program**

Meals are free to each student this school year, including breakfast. Every student is now entitled to one free breakfast during each scheduled school day. Secondary Locations can receive their breakfast in the cafeteria in the morning before school.

Elementary Schools will have bags dropped off to each classroom. Parents must sign up for their student to receive breakfast every day. Scan the QR code below to enroll your student for breakfast.

## Why Is Breakfast Important?

It is our mission to ensure students have access to breakfast each morning, so they have a nutritious start to their day and are fully ready to learn!
