STEP 2 – WebAdviser and Watching Pre-Assessment Activity (PAA) / #NotAnymore Video

Follow these next instructions after your ApplyTCC Application has been completed and you have received an email stating you have been admitted.

You can log in to WebAdvisor ==24 hours after== being admitted to the College. You will receive an email with instructions at the email address provided in your application for admission.

First-Time Login

1. Go to WebAdvisor (*Link opens in a new window*)

2. Select **Log In**, located in the top right corner

3. Enter your myTCC email address for your username

4. Enter your default password, if it's your first time logging in

   o Default password: Tcc + 7-digit student ID + 6-digit Date of Birth (MMDDYY)

   o Example: Tcc1234567010191

   o If you do not know your student ID number, call 817-515-8223 during business hours

5. Update your password

6. Register for Self-Service Password Reset

7. Continue with login

Online Videos

You can also complete your PAA and #NotAnymore Video online through WebAdvisor. You must first login to WebAdvisor for the first time before completing these videos. The Pre-Assessment Activity link and #NotAnymore Video is under the **Prepare to Register** section of the **Students Menu**. (See demonstration below).

- **The PAA includes the following**:
  - An explanation of the importance of the TSI Assessment
  - Practice test questions and feedback
  - Information on campus and community resources to achieve success as a college student
  - An explanation of development education options
- **The #NotAnymore video**:
  - Effective Spring 2019, a law was passed that all college students, including Dual Credit students, must complete a sexual harassment prevention training. Student may not register for courses until this training is completed.
  - Once you click on the #NotAnymore link, be sure to click the box indicating you are a TCC Dual Credit student on the form.
  - You will be given a pre-test followed by a series of online modules and a post-test you must complete. The process can take up to 45 minutes. You must make a 70 on the post-test to be marked complete.
  - Once you have completed this training, it will take 24-48 hours for the system to update.
