PRIDE TIME	S1	S2
Demonstrates Respect		
Demonstrates Responsibility		

Math	S1	S2
Demonstrates Respect		
Demonstrates Responsibility		
Solves problems that include adding and subtracting mixed numbers, fractions, and		
Evaluates expressions that include inequalities and variables.		
Uses a formula to solve for area and volume.		
Calculates mean, median, and range.		
Creates and analyzes graphs		

Reading / Writing / Language Arts	S1	S2
Demonstrates Respect		
Demonstrates Responsibility		
Describes how a narrator's or speaker's point of view influences how events are described.		
Reads and comprehends texts at grade level.		
Quotes relevant information accurately to support inferences.		
Uses key details to determine main idea and/or summarize text.		
Writes stories with descriptive details, dialogue, and sequence of events.		
Writes clearly structured opinion papers and reports factual evidence from multiple sources.		
Uses context clues to develop vocabulary.		
Demonstrates grade-level grammar and conventions (spelling, capitalization, and		

Social Studies	S1	S2
Demonstrates Respect		
Demonstrates Responsibility		
Locates and identifies physical and human characteristics of places in North America.		
Explains why Europeans explored and settled in Asia, Africa, and the Americas in the 15th to 17th centuries.		
Describes early interactions between indigenous peoples, Europeans and Africans; and identify the consequences of those interactions.		
Identifies the major events of the American Revolution and the creation of a new nation.		
Describes the purposes of the founding documents and explains the basic principles of democracy that were set forth in the Declaration of Independence, the Constitution, and the Bill of Rights.		

Science	S1	S2
Demonstrates Respect		
Demonstrates Responsibility		
Identifies and collects relevant evidence, makes observations and measurements, and identifies variables using appropriate tools.		
Describes how plant and animal structures and their functions provide an advantage for survival.		
Describes a natural system in Minnesota in terms of the relationships among its living and nonliving parts.		
Gives examples of beneficial and harmful human interactions with natural systems.		
Explains how, over time, rocks weather and combine with organic matter to form soil.		
Identifies renewable and non-renewable energy and material resources that are found in Minnesota and describes how they are used.		
Identifies the force that starts something moving or changes its speed or direction of motion.		
Demonstrates that a greater force on an object can produce a greater change in motion.

Fitness - Gr5/6

S1 S2

<i>Demonstrates Respect</i>		
<i>Demonstrates Responsibility</i>		
Demonstrates skills and knowledge to achieve and maintain a health-enhancing level of physical		
Recognizes the value of physical activity for health enjoyment, challenge self-expression, and social interaction.		
Maintain a physical activity log for at least two weeks and reflect on activity levels as documented in the log.		

Physical Education - Gr5

S1 S2

<i>Demonstrates Respect</i>		
<i>Demonstrates Responsibility</i>		
Performs non-locomotor skills as part of an educational game, dance or workout.		
Throws overhand with accuracy in small-sided games.		
Kicks a moving ball along the ground and in the air.		
Volleyballs underhand in small-sided games.		
Combines traveling with the skills of dribbling, throwing, catching and striking with accuracy.		

Art - Gr5/6

S1 S2

<i>Demonstrates Respect</i>		
<i>Demonstrates Responsibility</i>		
Uses foundational skills and knowledge to respond to, create, and present artistic works.		
Identifies safe procedures for using materials and tools while making art.		

Healthy Living - Gr5/6

S1 S2

<i>Demonstrates Respect</i>		
<i>Demonstrates Responsibility</i>		
Identifies possible causes of stress and the negative effects of stress on health.		
Maintains a nutrition log for at least two weeks and reflects on nutrition as documented in the log.		
Describes the impact of screen time on levels of health.		

Tech - Gr5

S1 S2

<i>Demonstrates Respect</i>		
<i>Demonstrates Responsibility</i>		
Communicates clearly and expresses themselves creatively for a variety of purposes using digital media.		
Uses a variety of technology with a design process to identify and solve problems.		

Music / Band / Choir - Gr5

S1 S2

<i>Demonstrates Respect</i>		
<i>Demonstrates Responsibility</i>		
Continues to improve individual performance skills.		
Contributes to an ensemble performance		
Engages in music by responding and/or creating.		
Can describe how pitch, tempo, and canon are used in the performance, creation and response to music.		
Identifies the characteristics of a variety of genres and musical styles.		

Health - Gr5

S1 S2

<i>Demonstrates Respect</i>		
<i>Demonstrates Responsibility</i>		
Comprehends concepts related to health promotion and disease prevention.		
Considers the influence of outside factors on health behaviors (media, family, peers, culture, and technology).		
Demonstrates interpersonal communication skills to enhance health and avoid or reduce health risks.		
Demonstrates the ability to practice and advocate health enhancing behaviors .

PRIDE TIME

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		

Math

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Solves and converts between fractions, decimals and percents.		
Simplifies and evaluates algebraic expressions.		
Calculates area, surface, and volume of two-dimensional and three-dimensional models.		
Understands that a variable can be used to represent a quantity and uses variables in various contexts.		
Calculates probability.		
Solves algebraic equations and inequalities.		
Calculates with positive rational numbers, including ratios and measurement.		

Reading / Writing / Language Arts

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Cites textual evidence to support inferences.		
Determines central idea and important details of a text to provide an objective summary.		
Determines how meaning and word choice of a text affect its message and tone.		
Explains how the author develops point of view.		
Reads and comprehends texts at grade level.		
Writes arguments to support claims with clear reasons and relevant evidence.		
Conducts organized research projects using several relevant sources.		
Demonstrates the command of conventions (grade level grammar and usage; mechanics).		
Develops, understands, and uses grade-level vocabulary.		

Social Studies

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Addresses a state or local policy issue by identifying key opposing positions, determining conflicting values and beliefs, defending and justifying a position with evidence, and developing strategies to persuade others to adopt this position.		
Compares and contrasts the Dakota and Anishinaabe nations prior to 1800; describes their interactions with each other and indigenous people.		
Analyzes the causes and impact of migration and immigration on Minnesota society during the late nineteenth and early twentieth centuries.		
Describes the effects of reform movements on the political and social culture of Minnesota in the early twentieth century.		
Creates a timeline of key events leading to World War II; describes how Minnesotans influenced, and were influenced by, the debates over the United States' involvement.		

Science

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Uses appropriate safety procedures, tools, measurements, graphs and mathematical analyses to describe and investigate systems in science.		
Demonstrates the conversion of metric units.		
Describes how mass is conserved during a physical change.		
Uses the motion and arrangement of particles to explain changes in matter.		
Measures and calculates the speed of an object traveling in a straight line.		
Recognizes how balanced and unbalanced forces affect the speed and direction of an object's motion.		
Distinguishes between mass and weight.		
Describes the properties of waves.		
Differentiates between kinetic and potential energy and analyzes situations where one form is converted to another.		
Traces the changes of energy as they're used in devices.		
Describes how heat energy is transferred in conduction, convection, and radiation.

Fitness - Gr5/6

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Demonstrates skills and knowledge to achieve and maintain a health-enhancing level of physical		
Recognizes the value of physical activity for health enjoyment, challenge self-expression, and social interaction.		
Maintain a physical activity log for at least two weeks and reflect on activity levels as documented in the log.		

Physical Education - Gr6

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Participates in a variety of aerobic-fitness activities using technology or media.		
Identifies the components of skill-related fitness.		
Identifies and explains heart rate zones.		
Maintains a physical activity log for at least two weeks and reflects on activity levels as documented in the log.		
Identifies possible causes of stress and the negative effects of stress on health.		

Art - Gr5/6

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Uses foundational skills and knowledge to respond to, create, and present artistic works.		
Identifies safe procedures for using materials and tools while making art.		

Healthy Living - Gr5/6

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Identifies possible causes of stress and the negative effects of stress on health.		
Maintains a nutrition log for at least two weeks and reflects on nutrition as documented in the log.		
Describes the impact of screen time on levels of health.		

Band / Choir - Gr6

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Continues to improve individual performance skills.		
Contributes to an ensemble performance.		
Engages in music by responding and/or creating.		

Engineering - Gr6

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Identifies a common engineered system and evaluates its impact on daily life.		
Applies and documents an engineering design process to construct a product or system to solve a problem.		

Family and Consumer Science - Gr6

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Demonstrates nutrition, wellness, and food preparation practices that enhance individual and family well-being.		
Demonstrates skills needed for preparing and serving foods.		
Demonstrates knowledge, skills and practices in interiors, textiles and apparel.		

AVID - Gr6

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Develops self-awareness skills and completes self-evaluations around these skills.		
Identifies various opportunities to become involved and contribute to the school or community.		
Develops organization, time management, note taking, test preparation, and test-taking skills.		
Creates a six-year plan for academic secondary education.

PRIDE TIME

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		

Math

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Uses tables, equations and graphs to represent relationships.		
Uses properties of circles to solve problems.		
Calculates probability.		
Calculates with rational numbers, including ratios.		
Solves algebraic equations and inequalities.		
Simplifies and evaluates algebraic expressions.		

Reading / Writing / Language Arts

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Cites textual evidence to support inferences.		
Determines and analyzes the central ideas; summarizes key details.		
Analyzes how elements of a story interact.		
Analyzes how authors organize texts.		
Evaluates arguments and claims; Writes arguments supported by written, relevant evidence.		
Produces clear, descriptive, and organized writing.		
Demonstrates grade level understanding of grammar, usage, and conventions.		
Determines meanings of unknown and multiple-meaning words and phrases.		

History

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Outlines the major political and military events of the Civil War.		
Outlines the causes and conduct of World War I including the nations involved, major political and military figures, and key battles.		
Describes the impact of the Great Depression on the United States.		
Outlines the causes and conduct of World War II including the nations involved, major political and military figures, key battles, and the Holocaust.		
Analyzes the social and political effects of the Cold War on the people of the United States.		

Life Science

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Plans and conducts a controlled experiment.		
Determines and uses appropriate safety procedures, tools, measurements, graphs, and mathematical analysis to describe and investigate natural and designed systems in science.		
Recognizes property changes in a chemical equation.		
Recognizes a variety of cell types and their functions.		
Recognizes variation and its impact on survival.		
Describes ways that human activities can change the populations and communities in an ecosystem.		
Recognizes the role of the human immune system.

Fitness - Gr7/8

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Uses goal-setting skills to enhance personal health.		
Demonstrates skills and knowledge to achieve and maintain a health-enhancing level of physical activity.		
Recognizes the value of physical activity for health enjoyment, challenge, self-expression, and social interaction.		
Maintains a physical activity log for at least two weeks and reflects on activity levels as documented in the log.		

Physical Education - Gr7

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Participates in a variety of strength- and endurance-fitness activities using technology or media.		
Defines the components of skill-related fitness.		
Monitors physical activity intensity by comparing and contrasting heart rate responses through a variety of physical activities.		
Maintains a physical activity and nutrition log for at least two weeks and reflects on activity levels and nutrition as documented in the log.		
Identifies strategies for dealing with stress.		

Art - Gr7/8

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Uses foundational knowledge and skills while responding to, creating, and presenting artistic work.		
Demonstrates safe procedures for using materials and tools while making art.		

Health - Gr7

Demonstrates Respect		
Demonstrates Responsibility		
Distinguishes between communicable and non-communicable diseases.		
Describes the influence of family, peers, culture, media technology and other factors on health choices.		
Defines substance abuse and addiction; Describes in detail the physical, social, economic effects on the individual, the family and the community.		
Identifies methods for intervention, treatment and cessation for a variety of addictive substances.		

Band / Choir - Gr7/8

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Continues to improve individual performance skills.		
Contributes to a group or ensemble performance.		
Engages with music by creating and/or responding.		

Technology Applications - Gr7

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Understands the fundamental concepts of technology operations.		
Demonstrates the ability to choose, use and troubleshoot current technologies and is able to transfer knowledge to explore emerging technologies.		
Develops, tests and refines prototypes as part of a cyclical design process.		

Industrial Tech - Gr7/8

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Demonstrates the safe usage of a correctly identified tool to perform a needed task.		
Demonstrates the ability to create a materials list, a task list, and establish order to the steps used in general fabrication.		

Healthy Living - Gr7/8

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Identifies several strategies for dealing with stress. For example: deep breathing, guided visualization, aerobic exercise.		
Designs and implements a program to improve one's nutrition.		
Charts and analyzes personal screen time behaviors.		

Animals, Plants, and Pizza - Gr7

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Describes how plants are grown for food, fiber, and fuel.		
Describes how food and companion animals are cared for responsibly.		
Describes how raw products from farms become part of our food supply.		

Pillager Middle School
8th Grade Report Card

2020-2021

Teacher

PRIDE TIME

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		

Math

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Uses tables, equations and graphs to represent linear functions.		
Solves algebraic equations and inequalities.		
Solves and classifies systems of linear equations.		
Simplifies and evaluates algebraic expressions.		
Expresses and makes statements about linear equations and inequalities in various contexts.		
Uses the Pythagorean Theorem to solve problems involving right triangles.		

Reading / Writing / Language Arts

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Cites textual evidence to support inferences.		
Determines a central idea and summarizes texts.		
Uses context clues to develop vocabulary.		
Determines the author's point of view and purpose.		
Writes claims with clear reasons and relevant evidence.		
Writes a narrative with well-developed details, an orderly sequence of events, and logical conclusion.		
Plans, revises, edits, and rewrites to strengthen writing.		
Develops and uses vocabulary appropriate for grade level.		

Geography

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Obtains and analyzes geographic information to investigate places or answer geographic questions.		
Creates and uses various kinds of maps of places in the world incorporating map basics.		
Formulates questions about topics in geography, analyzes problems, and makes decisions within a spatial context.		
Analyzes and explains the locations of human populations and cultural characteristics of various places.		
Describes how the physical and environmental features of North America affect human activity and settlement.		

Science

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Develops descriptions, explanations, predictions and models based on evidence.		
Uses appropriate safety procedures, tools, measurements, graphs and mathematical analyses to describe and investigate systems in science.		
Explains how landforms form and change and how Minnesota's landscape was shaped.		
Interprets layers of sedimentary rocks and fossils to understand changes on Earth.		
Analyzes changes in weather to relate them to fronts and pressure systems.		
Explains how the motion of the Earth causes day length, the phases of the moon, and eclipses.

Fitness - Gr7/8

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Uses goal-setting skills to enhance personal health.		
Demonstrates skills and knowledge to achieve and maintain a health-enhancing level of physical		
Recognizes the value of physical activity for health enjoyment, challenge, self-expression, and social interaction.		

Physical Education - Gr8

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Participates in a variety of self-selected aerobic-fitness activities using technology.		
Analyzes a physical activity by identifying its skill-related components.		
Predicts and modifies activities which influence the target heart rate to meet desired goal and		
Designs and implements a program to improve one's physical activity levels and nutrition.		
Demonstrates several strategies for dealing with stress.		

Art - Gr7/8

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Uses foundational knowledge and skills while responding to, creating, and presenting artistic		
Demonstrates safe procedures for using materials and tools while making art.		

AVID - Gr8

Demonstrates Respect		
Demonstrates Responsibility		
Expands thinking of potential career fields.		
Develops writing skills related to timed, argumentative, and descriptive modes of writing.		
Takes notes, with an emphasis on selecting the appropriate format.		
Constructs written claims and supports them with reasoning and evidence.		

Band / Choir - Gr7/8

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Continues to improve individual performance skills.		
Contributes to a group or ensemble performance.		
Engages with music by creating and/or responding.		

Technology Applications - Gr8

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Contributes constructively to project teams, assuming various roles and responsibilities to work effectively toward a common goal.		
Knows and uses a deliberate design process for generating ideas, testing theories, creating innovative artifacts or solving authentic problems.		

Industrial Tech - Gr7/8

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Demonstrates the safe usage of a correctly identified tool to perform a needed task.		
Demonstrates the ability to create a materials list, a task list, and establish order to the steps used in general fabrication.		

Healthy Living - Gr7/8

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Identifies several strategies for dealing with stress. For example: deep breathing, guided visualization, aerobic exercise.		
Designs and implements a program to improve one's nutrition.		
Charts and analyzes personal screen time		

Spanish - Gr8

S1 S2

Demonstrates Respect		
Demonstrates Responsibility		
Recognizes, understands, and speaks simple words and phrases in Spanish.		
Communicates Spanish greetings and introductions orally and in writing.		
Understands different cultural perspectives and how they compare to their own culture.
