## 2023-2024 Walking Field Trip Permission Form

Educators at Inter-Lakes Middle/High School are dedicated to providing diverse, safe, opportunities for student learning. During this changing dynamic of education, teachers will be utilizing the great outdoors on a more regular basis with their students. There are many physical locations within safe walking distance of Inter-Lakes Middle/High School that provide a great venue for learning. These sites include, but are not limited to Prescott Park, the Laverack Nature Trail, and the Meredith Sculpture Walk.

In order for your son/daughter to participate, it is necessary for you to give your permission, which you do by signing this permission slip. Please understand that you are giving permission for your child to participate in any walking field trips that occur during the 2023-2024 school year. All walking field trips will meet the requirements of proper supervision as detailed in Inter-Lakes School District Policy. No vehicular transportation will be utilized for these trips. If a student needs transportation accommodations, this will be arranged on a case by case basis with further parent permission.

\*\*\*\*\*

(Please complete, tear off and return to school.)

My child \_\_\_\_\_ has permission to participate in off campus walking field trips during the 2023-2024 school year.
