

Dear Volusia County District Advisory Committee Members,

I am delighted to welcome you to the 2023-2024 school year. Thank you for advocating for the well-being of students, teachers, and administrators across the district. As we embark on this new academic year, I would like to inform you of the meeting schedule and logistics. Our meetings will be held in person on the first Wednesday of every month from September through May, excluding January. This totals eight meetings for the year. To ensure accessibility for representatives across Volusia, we have arranged alternate meeting locations on the east side at Mainland High School, located at 1255 W International Speedway Blvd., Daytona Beach, FL 32114, and on the west side at Deltona High School, located at 100 Wolf Pack Run, Deltona, FL 32725.

Regular attendance is vital to ensure that our School Advisory Committees receive timely district updates and that the interests of our schools are effectively represented at the district level. Therefore, I kindly request that all representatives maintain consistent attendance throughout the school year.

For efficient communication, our primary means of correspondence will be through email. You can expect to receive the agenda approximately one week prior to each meeting. Additionally, minutes will typically be distributed within a week of the meeting, allowing you ample time to review and prepare. You can find the meeting schedule, DAC guidelines, bylaws, agendas, minutes, and presentation materials on the district website <https://www.vcsedu.org/directory/departments/community-information-services/district-advisory-committee>.

Thanks to Angel Gomez and Lisa Long, our Community Information Services, who are our DAC liaisons. They play a crucial role in managing communications, minutes, and scheduling. Also, thank you to Jennifer Marinaccio, at [jakonicek2@gmail.com](mailto:jakonicek2@gmail.com), our Vice-Chairman, for your unwavering support.

Volunteering and working together can make a significant difference in the education system. If you have any questions or comments, please don't hesitate to contact me at [sincal8@aol.com](mailto:sincal8@aol.com).

Sincerely,  
Angela Kopnicky
