

Special points of interest:

- **GRAD ENVELOPE/PACKET**, if your graduated senior did not pickup their graduation packet from the main office we will either mail it to your home or they will need to wait until after school starts next fall.
- **GRADES SHOULD BE RECEIVED BY THE LAST WEEK OF JUNE**

From the Principal

It seems like the year has flown by. We graduated 10 seniors in June and I've already started interviewing new students for next fall.

This is always a bittersweet time of year – we'll miss our graduates, but are so proud of their accomplishments; we marvel at the growth of our younger students and are excited to see how they'll return to us in the fall.

Take care & enjoy the summer!

Nell

PICTURE DAY NEXT YEAR

Picture day for Emerson High School ID's and portraits is Tuesday

September 5

So look your best on the first day of school!

SCAVENGER HUNT FOR MENTAL HEALTH AWARENESS MONTH

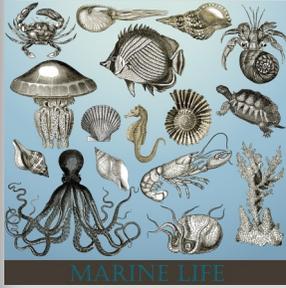

Mental Health Awareness Month has been observed in the U.S. since 1949. The national movement is to raise awareness about mental health to fight stigma, provide support, educate the public, and advocate for policies that support the millions of people in the U.S. affected by mental illness.

This May, Emerson High School partnered with Balance in Mind for Mental Health Awareness Month. The school-wide events included the Mental Health Awareness Wheel, Mental Health Poster Competition, a self-care day in CORE where students choose a self-care activity to participate in, a Gratitude Wall and culminating with a Scavenger Hunt. Dan W's CORE tied with the Senior CORE for first place and earned a pizza party sponsored by Balance in Mind. Students really enjoyed all of the events and learned a lot about mental health and self-care in the process. We definitely plan to do it again next year and want to send a big thank you to Balance in Mind for all of their help and support.

Balance in Mind works with community partners to raise awareness about emotional and mental health challenges facing our youth, to empower parents, and to build communities where our kids grow up healthy, resilient and equipped for life. Please check out the great resources they provide for students and families in the LWSD.

FIELD TRIP TO ALKI BEACH

Dan W. took seven of his Marine Science and Environmental Science students to Alki Beach on June 5th to investigate marine life during super-low tide. Monday and Tuesday the 5th and 6th featured the lowest tides of the week. Tides will be nearly four feet lower than normal.

Tides are the rising and falling of the ocean largely driven by the gravitational pull of the moon and sun and their relative position to Earth. These tides are considered to be very long waves that move across the Earth's oceans. When the wave is at its highest point reaching the coast, it's high tide; when the wave is at its lowest point reaching the coast, it's low tide.

The lower-than-normal tides unveil areas and ecosystems that are normally submerged by the cold, salty Puget Sound waters, providing a unique opportunity for people to check out the tidepools and marine life.

From Wendy & Crysta

We would like to wish you all a restful summer. We look forward to seeing you all back in the fall.

Wendy met with all returning students prior to summer to plan their schedules for next year. Students can pick up their schedules on the first day of school.

Crysta Cady, our wonderful YES Counselor will still be available to support students over the summer. Crysta has already or is in process of scheduling summer appointments with current clients who had expressed interest in continuing to meet over the summer. Crysta can meet in-person or virtually depending on availability. If you need to reach Crysta this summer - she can be reached at her direct line at (425) 517-1375 or by email at crysta.cady@youtheastideservices.org.

Please note that Youth Eastside Services closes on Fridays during the summer months, so services will not be available Fri-Sun. Crysta will also be out Friday July 28, 2023 – August 13, 2023, and will be out of the country for part of these dates so she will not be checking email or voicemails during this time period. If you have an urgent need during this time, you can contact the YES front desk 425-747-4937 and ask to speak with a supervisor or clinical coverage.

Wendy will only be checking email a few times over the summer until she returns in late August. If you are in need of a more immediate response - you can reach out to Nell at nballard-jones@lwsd.org.

JUNETEENTH & PRIDE MONTH

LWSD to fly rainbow flags for Pride Month, as well as Juneteenth flag on June 19

This June, schools across the Lake Washington School District will fly rainbow flags in recognition of Pride month and on June 19, they will fly the Juneteenth flag in recognition of this federal holiday honoring the end of slavery.

Last spring, students and staff members shared with the district the importance of flying the Pride flag as a symbol of the district's commitment to an inclusive and safe school environment. In response, the district developed a policy regarding the exhibition of flags at district facilities which specifically authorized the flying of the two ceremonial flags in alignment with action taken at the state level to authorize the flying of these flags at state facilities. Policy 6980 was adopted on September 27, 2022.

Some people may ask about the flying of other ceremonial flags. Our policy establishes that the District's flagpoles shall not serve as a forum for free expression by the public. Flags authorized by the policy are an expression of the District's official sentiments and are the only flags that shall be flown on the District flag poles.
