

BLENDED COURSE:

Heartsaver Blended Learning courses include an online portion and a hands-on session. The online portion provides the flexibility of completing training at your own pace. **You must complete all 3 modules (adult, child, and infant).**

Visit <https://elearning.heart.org/course/8> to complete the online portion. Cost is \$16.00 and is not reimbursed by the corporation. Please save your certificate upon completion. This certificate will be needed when scheduling your hands-on session. The hands-on session includes a skills practice and testing session conducted in-person with Tracy Furnas or Erin Jordan. In order to accommodate as many requests as possible, please refer to your appropriate building for instructions to schedule your hands-on session:

Admin, MVHS, MVMS, and FES staff only:

Tracy Furnas will provide hands-on training at the Administrative Building. Upon completion of the online portion, email tracy.furnas@mvcsc.k12.in.us your certificate of completion to schedule an appointment. You will receive a link via email with available times for you to schedule your hands-on training. Appointments will last roughly **30min** and can accommodate 2 persons.

MCE and MES

Erin Jordan is located at McCordsville Elementary and provides hands-on sessions by appointment only. Please email erin.jordan@mvcsc.k12.in.us your certificate of completion to schedule the appointment. Appointments can accommodate 1 person and will last roughly **30mins. Start time will be determined by Erin's availability.**

Additional Information:

- Upon successful completion of both the online and hands-on portions of the course, we will submit paperwork to our Training Center for your course completion card for K-12, valid for two years.
- Maintaining a copy (electronic or hard copy) is the responsibility of the card owner. Individual eCards are unable to be accessed for copies or replacements by the instructors.
- For additional courses (i.e. First Aid) visit <https://elearning.heart.org/courses/3> for a complete list of offered courses.
