Due to concern for safety and security when traveling in the U.S. and abroad, the Board of Education may, on a case-by-case basis, rescind its approval for an extended/overnight field trip. In addition to safety, another concern for these types of field trips is the deposit money that is paid, often months prior to departure, which may need to be forfeited should the Board rescind approval of the field trip. Teachers and other organizers of overnight/extended field trips must be certain when making arrangements with a travel agent that the deposit money will be refunded if the Board of Education rescinds its approval. The District policy must be made clear to the parent and the tour organizer/travel agent, and all deposits must be refundable to parents. In addition, a waiver of liability with the District must be signed by all field trip participants.
