ARTICLE VIII
JOB AND ASSOCIATION SECURITY

Increases / Reductions

The increase or reduction of bargaining unit positions shall be accomplished consistent with Article V, Article VII, A, and Article X, C of this Agreement.

ARTICLE IX **GRIEVANCE PROCEDURE**

A. Definitions

1. Grievance

A "grievance" is hereby defined as a complaint regarding the meaning, interpretation or application of any provision of this Agreement.

2. Workday

A "workday", for the purpose of this Agreement, is defined to mean the calendar days of Monday through and including Friday, except where any of these days is observed by the grievant as a holiday.

B. Purpose

The purpose of this procedure is to obtain, at the earliest possible step, equitable solutions to the problems which may, from time to time, arise, affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level.

C. Procedure

Step 1 - Informal Conference

An employee(s) with a grievance shall request a meeting with the immediate supervisor(s) within five (5) workdays after its alleged occurrence.

The immediate supervisor(s) shall within five (5) workdays thereafter convene, at mutual convenience, a meeting for discussion and resolution. The grievant(s) shall present a written grievance at that meeting. Participants shall be the grievant(s), the Association president, and the immediate supervisor(s).

If the grievance has not been satisfactorily resolved through the informal meeting, the immediate supervisor(s) shall provide a written response within five (5) workdays of the meeting. If the response is unsatisfactory, the SPFPA shall submit the grievance within five (5) workdays to Step 2 of this procedure. If the SPFPA does not proceed with the grievance within the time limits described within Step 2, and no time extension has been mutually agreed upon, the grievance shall be considered withdrawn and resolved.

Step 2 - Administrator Level

If the grievance is not resolved at Step 1, the written grievance shall be submitted within five (5) workdays to the Human Resource Director. Within five (5) days of receiving the appeal, a meeting will be held with the grievant in an attempt to resolve; within five (5) days of this meeting, the Human Resource Director will provide a written decision.

Step 3 - Superintendent of Schools

If the grievance is not resolved at Step 2, or in the case of a grievance affecting a group or class of employees, the written grievance shall be submitted to the Superintendent on the form provided by the District. This appeal must be filed with the Superintendent within five (5) workdays after a decision from Step 2 is due, or within five (5) workdays of its alleged occurrence for a group grievance. Within five (5) workdays after receiving the appeal, the Superintendent or his designee will meet with the parties in an attempt to resolve the grievance. The Superintendent or his designee, within five (5) workdays of his meeting with the parties shall give his written decision. If the SPFPA does not proceed with the grievance to Step 4 within the time limits described in that step, and no time extension is mutually agreed upon, the grievance shall be considered withdrawn and resolved.

Step 4 - Arbitration

- a. If the grievance is not resolved at Step 3, the SPFPA may appeal to arbitration within ten (10) workdays after the Superintendent's decision is due to the SPFPA. A request for arbitration may be initiated by the SPFPA serving upon the District a notice in writing of its intent to proceed to arbitration. Upon receipt of a notice requesting arbitration, the parties shall meet to select an arbitrator; if the parties cannot voluntarily agree upon the selection of an arbitrator, they shall notify the State Bureau of Mediation of their inability to do so. Pursuant to Section 903 of Act 195, the State Bureau of Mediation shall then submit to the parties the names of seven arbitrators. Each party shall alternately strike a name until one remains. The district shall strike the first name. The person remaining shall be the arbitrator.
- b. The arbitrator shall have no power or authority to add to, subtract from, or modify the provisions of this Agreement in arriving at a decision of the issue or issues presented, and shall confine this decision solely to the application and interpretation of the Agreement. The decision or award of the arbitrator shall be final and binding.
- c. The costs of arbitration shall be shared equally by the parties. Each party shall bear the cost of preparing and presenting its own case.

D. Copies of Grievance Records

Each side to a grievance shall be entitled to three copies of all documents used in the proceedings, and of endorsements of dates, times, and recipients' signatures required above. Said documents shall be made available prior to arbitration. All documents, communications and records dealing with the grievance process shall be filed in a separate grievance file, and shall not be filed in the personnel file of any participant.

E. Time of the Essence

Time periods as specified shall be of the essence in each instance, unless extended in writing by agreement, and failure to comply with same shall be deemed conclusively to constitute acceptance of the circumstances as they exist, with prejudice, i.e., without right by the same grievant to review or renew the same issue on the same circumstances.

F. Meetings and Hearings

All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in this Article.

G. Miscellaneous

1. The SPFPA shall have the right to attend every grievance hearing on all matters covered in this Agreement.
2. A grievance may be withdrawn by the SPFPA or by the aggrieved employee at any time, and the withdrawal of any grievance shall not be prejudicial to the positions taken by the parties as they relate to any future grievance.
3. The settlement of any grievance shall state whether or not any precedent is set; i.e., it may or may not regulate future relationship between the SPFPA and the District.
4. The District may notify an aggrieved employee of its decision by certified mail sent to the employee's last known address, and this shall fulfill the decision notification requirements as set forth in any step of the grievance procedure described herein.
5. Any individual employee or a group of employees shall have the right at any time to present grievances to the District, and to have them adjusted without the intervention of the Association, as long as the adjustment is not inconsistent with the terms of this collective bargaining agreement and provided further, that the SPFPA has been given an opportunity to be present at such adjustment.

ARTICLE X
SENIORITY AND WORK FORCE CHANGES

A. Definitions

1. Unit Seniority means an employee's length of continuous service to the District in the SPFPA bargaining unit from his initial date of hire (or rehire after a break in service). Employees shall accrue seniority in the Unit based on the employee's regularly scheduled days of work in the year with one (1) year of seniority based

upon the scheduled days worked per Article XII - B. Employees who are on an approved leave of absence equal in length to the employee's regularly scheduled school year will not accrue seniority for the year of absence. Employees who are on an approved leave of absence for a partial school year will accrue seniority for that portion of the year in which they work (prorated seniority). Unit seniority shall prevail for all portions of this Agreement based upon "seniority".

2. District Seniority means an employee's length of continuous service to the District in all bargaining units from his initial date of hire (or rehire after a break in service). Employees shall accrue seniority in the District based on the same criteria as 1 above. District seniority shall prevail for retirement, benefits, and any portion of this Agreement based upon total continuous service to the District.

B. General

1. Break in Service means the cancellation of accrued seniority and all associated rights. Break in service shall occur upon:
 - a) Normal retirement
 - b) Resignation from bargaining unit position
 - c) Separation for just cause
 - d) Failure to report for work within five (5) days when recalled from layoff status. Such failure shall constitute cause for dismissal.
 - e) Abandonment of position as evidenced by unexcused absence of more than (3) consecutive workdays; such abandonment shall be equivalent to just cause for dismissal; however, absence due to legitimate circumstances beyond the employee's control shall not be considered unexcused provided the employee reports the circumstances to his or her immediate supervisor as soon as possible.
 - f) Absence for any reason in excess of twenty-four (24) months, even a work-related injury covered by workers compensation.
2. Notice of dismissal pursuant to 1(d) and 1(e) above shall be given by certified mail, return receipt requested, to the last official address provided by the employee to the District. Such notice shall simultaneously be provided to the President of the Association. The employee must initiate any challenge to such action by submitting a written grievance to the Superintendent within seven (7) calendar days of receipt of such notice.
3. District accrued seniority after layoff shall be frozen but not lost for a period of up to twelve (12) months from the date of layoff.
4. Employees rehired after any break in service shall begin as new employees without any credit for prior service.
5. Seniority Lists showing District and category seniority shall be published by the District by October 15 of each year. Employees shall have thirty (30) calendar

days thereafter to file written grievances at the Superintendent level of the grievance procedure.

6. New Employees shall be on a probationary basis for the first sixty (60) calendar days of employment and shall enjoy no benefits or protection of this Agreement, other than wages, until completion of probation. The District shall have the right to retain or dismiss such employees during probation in its discretion. In the event an employee is retained, seniority shall revert back to the date of hire.
7. Names of new employees shall be provided to the SPFPA within the first ninety (90) calendar days of employment.

C. Work Force Changes

1. Categories:

The following Categories are established for purposes of lay-off, bidding, and hiring in the order indicated:

Category A: Full-Time (teacher calendar) Employees

Category B: Part Time (less than teacher calendar) Employees

2. Increase in Force caused by a need for additional manpower to fill vacant, Board approved positions, shall be accomplished per the guidelines in 5 below.
3. Reduction in Force (Layoff) caused by elimination of position shall be accomplished as follows: Affected employees shall have the right first to bump employees with less seniority within their Category; second, to bump any employee with less District seniority occupying a position in a lower category (A being highest and moving down to B). In no event shall an employee be permitted to bump up. Any affected employee may elect layoff. No new employees shall be hired until all employees on layoff have been recalled to the same or lower category.
4. Reassignment and Redistribution of Positions. The District has the right each year to determine where each bargaining unit position will be located within the District each year. The District shall develop a list of position locations for the year by August 10 of such year, and the list shall be posted in specified areas in all school buildings for five (5) workdays. Copies of all postings shall be sent to the SPFPA President. Employees interested in a particular location shall submit a bid for such location during the five (5) calendar day period. Bids shall be awarded based on seniority. An employee who is not awarded a particular location based on seniority shall choose a different location, and shall be assigned based on seniority. The filling of each location shall be accomplished at a single meeting of affected employees. Once a location is accepted by an employee, the location of the position and the assignment of such employee to the position may not be changed for the remainder of the work year. Notwithstanding the above, the District may request, and the Association may approve, an emergency request for a location change at any time. Any new employee is to be trained and once training is completed at all positions the new

employee shall be assigned after bid progression based on seniority and shall remain at the assigned location for the remainder of the work year.

5. Vacancies occurring for any reason shall be posted in all school buildings for five (5) workdays when the District decides to fill the vacancy. Copies of all postings shall be sent to the SPFPA President and placed in specified areas in all work locations in each building within the District. The District shall also provide the names of all internal bidders, if requested, to the SPFPA President and/or her designee. The posting shall include all qualifications necessary in the opinion of the District, minimum hourly wage as defined by the agreement, and scheduled number hours worked for the position and building location of the position. Employees interested in the position shall make written application during the five-day period. The District may fill the position on a substitute basis for no more than 32 calendar days. If the position is posted during the 32 day period, the District may use a substitute for an additional fifteen (15) calendar days in order to facilitate the awarding of the position. The following procedure shall apply:
 - a. Employees bidding on a vacancy within category shall be transferred, in order of category seniority, to the vacancy. Additional resultant transfers shall be accomplished at a single meeting of affected employees in that category.
 - b. Any vacancy not filled by lateral transfer within category shall be awarded to the "qualified applicant", from the next lower category, with the greatest District seniority. The individual shall have a thirty (30) workday trial period to demonstrate satisfactory performance in the new position in the opinion of the immediate supervisor. The District shall only be required to have one thirty (30) workday trial period per vacancy. During the trial period, the District may backfill with a substitute. The successful bidder shall be placed as the least senior employee within the new category, but former category seniority shall be frozen.
 - c. An employee who is not successful by the conclusion of the trial period may return to his/her original position. Any employee may voluntarily return to his/her original position at any time during the trial period with a one-day notice. In such event, the District shall award the position to the next most senior qualified applicant in the original bid. Employees opting to return to prior positions shall not be entitled to bid on subsequent vacancies for a period of six months.
 - d. Employees awarded any vacant position shall generally be placed in the newly awarded position within thirty (30) calendar days of the award. The District may, at its discretion, delay the placement of the successful bidder in the newly awarded position beyond the thirty (30) calendar day period. However, the new wage rates, when appropriate, will be paid to the successful bidder beginning on the thirty first (31st) calendar day following the award.
 - e. Once a vacant position is awarded as set forth above, the District may, at its discretion, post subsequent vacancies immediately.
 - f. Vacancies posted for five (5) days with no bidders may be awarded to external applicants.

6. Vacancies will be posted and employees shall bid by building. The Primary School (PS), Intermediate School (IS), Middle School (MS) and High School (HS) shall each be a separate building. All employees who work within a building (PS, IS, MS or HS) shall be utilized on any assignment within that building and all employees assigned to a particular building will rotate among all assignments within that building.
7. The District shall have the right, in the cases of emergency, as defined by the District's Crisis Management System, to temporarily transfer employees from their regular building assignment to another at its discretion.
8. When the District institutes new equipment or technologies, training shall be provided by the District for employees in the positions affected.

ARTICLE XI
DISCIPLINE AND DISCHARGE

A. Discipline

1. The Board shall have the right to discipline or discharge for just cause. Progressive disciplinary measures shall include the following:
 - a. Oral reprimand, then
 - b. written reprimand, then
 - c. suspension (reason to be given in writing, with a copy to the Association). Suspensions may be one, three or five days, then
 - d. demotion, transfer, or discharge
2. The above sequence of discipline will not apply where the cumulative discipline record shown by disciplinary measures described above, or seriousness of the offense, warrants more severe measures by the Board, including immediate discharge. Serious offenses shall include but not be limited to the following:
 - a. Theft and/or embezzlement
 - b. Falsification of records
 - c. Violation of health and safety regulations
 - d. Drug violations or convictions
 - e. Any other conduct which would constitute grounds for dismissal under Section 514 of the Pennsylvania School Code of 1949, as amended.

B. Discharge

1. The Association shall have the right to take up the suspension and/or discharge as a grievance at Step 3 of the grievance procedure, and the matter shall be handled in accordance with this procedure, including arbitration, at the request of either party.

2. Any employee found to be unjustly suspended or discharged shall be reinstated with full compensation for all lost time and with full restoration of all other rights and conditions of employment. In determining full compensation, the Board shall be given credit for all monies earned or received by the employee during his suspension, which he/she would not otherwise have received.
3. The above article shall not apply to any employee who has not successfully completed the probationary period. Such employee may be discharged at any time without reason.

ARTICLE XII **HOURS OF WORK**

A. Regular Hours

The regular hours of work each day for full time employees shall be consecutive except where otherwise mutually agreed upon between the parties.

B. Work Year

1. The work year for Category A employees shall be the same as the number of days the teachers are actually in attendance unless extended by the District or reduced by the District due to a work stoppage, a change of schedule, or other conditions beyond the control of the District. In that event employees shall also work the same number of days as the teachers are in attendance.
2. The District may extend the work year up to a maximum of 210 days but any days beyond the teacher attendance days shall not be mandatory. The District will solicit employees for these days in seniority order.
3. Category B employees may work less than the number of teacher/attendance days and only as scheduled by the District.
4. For purposes of accumulated paid time off, the year will be the fiscal year, July 1 to June 30 of the subsequent calendar year.

C. Work Week

1. The normal work week for Category A employees shall consist of five consecutive work days. The "work week" for purposes of this Agreement is hereby defined to begin at 12:01 a.m. on Monday and end at midnight on the following Sunday.
2. Category B employees may work less than the number of days in a normal work week and only as scheduled by the District.

D. Work Day

1. The normal workday shall be eight (8) hours in length, shall include a twenty-minute, duty-free lunch period, and a fifteen minute break.
2. Employees scheduled to report to work and who do report to work prior to cancellation for inclement weather shall be entitled to a minimum of the lesser of their normally scheduled hours of four (4) hours pay. Notice will be provided by a system designated by the District for other employees.
3. Employees will be offered work opportunities for special events. "Special events" are defined as events beyond the normally scheduled teacher day or teacher week. They include, but are not limited to, open house, evening activities, meetings, etc. Work opportunities will be offered on a voluntary basis and solicited as follows:
 - a. The District will first offer work at "special events" to the employee(s) assigned to the building in which the special event occurs.
 - b. Should the employee(s) at the building refuse the work, or should additional employees be required, the District will solicit the balance of the employees District-wide in rotating seniority order.
 - c. Each event occurring on separate days shall be solicited independently; multiple events occurring on the same calendar day will be solicited simultaneously with the senior employee selecting his assignment first and continuing down by seniority.
 - d. In the event of insufficient qualified volunteers to meet the needs of the District, the District shall have the right to either:
 - 1.) Force the junior person to accept the assignment (on an emergency basis only). Should this occur on multiple days, the District may force, in a rotating junior order, thereby preventing the least senior person from being forced to work every occurrence; or
 - 2.) Offer the work to non-bargaining unit personnel.
 - e. The District may, from time to time, be required to utilize constables or municipal police at large athletic or extracurricular events. District employees may be asked to augment that force but there is no guarantee of work.
 - f. "Special Events" shall be deemed to start 30 minutes before the scheduled time at which members of the public attending the Special Event are permitted to enter the building for such event.

E. This section defines the normal hours of work and shall not be construed as a guarantee of hours of work per day or per week. All contractual days paid time off (bereavement and sick) will be paid based upon the employees scheduled work day defined above.

F. Temporary Project Employee

Temporary Project Employee shall refer to those employees hired to perform routine bargaining unit work for assignments of limited duration. Such projects may include summer details when students and teachers are not present and beyond the maximum 210 days which the District can require.

Temporary project employees may be assigned to work up to a full eight (8) hours for a cumulative duration not to exceed 90 work days per person in any twelve-month period. This limitation shall not apply to regular bargaining unit employees filling temporary project positions. The number of such employees/positions, the time and maximum duration of such positions, and the general nature of the work to be accomplished, shall be determined by the District in advance.

Temporary project positions will be posted for five (5) days. The posting shall include the nature of the work, the hours, and the maximum duration of the position. Any employee from within the bargaining unit will be eligible for such positions. In the event that a bargaining unit employee is the successful bidder for a temporary project position, the District shall have the right to replace the bargaining unit employee with a substitute for the duration of the temporary project position. The successful bidder may not return to his or her regular position for the duration of the temporary project position. The posted rate of pay for the temporary project position shall remain in effect for the duration of the position. The District has the right to establish rates of pay provided such rates are at least equal to Category A rates of pay.

ARTICLE XIII SICK LEAVE

A. Sick Leave Allowance

1. Category A employees shall be granted eight (8) paid sick leave days per year.
2. Category B employees shall not be granted paid sick leave.

B. Eligibility

Eligibility for sick leave benefits will begin after completing a satisfactory work performance for a period of sixty (60) days for new hires. Employees hired after January 1 will accrue sick days for the balance of that work year at the rate of one per month.

C. Certification

1. All sick leave days shall be certified by the employee and endorsed by the immediate supervisor on the District approved attendance control system. In addition, a physician's certificate may be required if an employee is absent for five (5) or more consecutive days. However, the Superintendent or his designee may require such certificate sooner in individual cases where sick leave abuse is

suspected. Refusal to submit said certificate as required will result in loss of pay for those days.

2. Employees who request FMLA or Board approved medical leaves of absence will be required to provide a physician's certification in compliance with DoL/FMLA Guidelines.

D. Sick Leave Reporting

No paid sick leave shall be granted unless the employee's immediate supervisor, or his designee, is notified at least two hours before the employee's regularly scheduled starting time on the first day of the absence. The employee must state the number of days he intends to be off or he will be required to report off each day individually per the requirements of this section.

E. Accumulation

Accumulation of unused sick days will be unlimited for use as sick leave. Any number of accumulated sick leave days may be used at any one time. Employees shall be notified as to their accumulated sick leave days no later than October 15.

F. Incentive

Category A employees shall receive a twenty-five (\$25) dollar payment for any quarter [nine (9) week period] in which they have no days absent from work. Quarters shall be calculated to coincide with the current student grading periods. In no event shall any employee receive more than the twenty-five (\$25) dollar payment for any quarter as described herein.

Employees using no sick leave in a given year shall be credited with an additional personal day to be used in the following year. Such personal days are not cumulative and must be used within the year granted.

G. Changing Classification/Category

If an employee bids or is moved into a category that is not eligible to receive sick leave under this provision, such employee shall lose entitlement to all such sick leave days. No such employee will accumulate additional sick leave days. These employees will also be entitled, upon severance or retirement, to payment for unused and accrued sick leave time consistent with Article XV.C.4.

ARTICLE XIV

3. Unused personal days will be converted to sick leave effective July 1 of the succeeding fiscal year.

B. Bereavement

This section (B. 1, 2) shall apply to all employees covered by this Agreement.

1. Death in Immediate Family

Leaves of absence in case of death in the immediate family are authorized with full pay for a period not in excess of three work days, up to and including the day of the funeral. Members of the immediate family are defined as father, mother, brother, sister, son, son-in-law, daughter, daughter-in-law, husband, wife, parent-in-law, grandchild, or near relative who resides in the same household, or any person with whom the employee has made his/her home at the time of death.

The employer shall be notified of the employee's intent to end leave and return to employment. Notice shall be served within a reasonable period of time in advance of return from leave. Upon return from leave, the employee shall be returned to the same or similar position assigned prior to the leave.

D. Family Medical Leave Act

The District will at all times maintain a policy or policies of Family Medical Leave consistent with and required by the Family Leave Act of 1993.
