

SKSD Field Trip Request Procedures and Guidelines

The purpose of this information is to help establish uniformity and streamline the submission of field trip requests. If you have any questions, please contact Josh Smith by phone at (360) 874-7095 or email at smith@skschools.org.

Accessing and Submitting Field Trips

All Field Trip requests are submitted thru Tripfinder. To access Tripfinder, go to the South Kitsap School District website:

- Login using your District network ID and PW.
- Navigate to: Menu, Departments, Transportation Services, Quick Links, Field Trips.
- Click the link for TripFinder System

After logging in, select “Submit New Request” in the upper right and input your information. NOTE: several fields are *required* to be filled out. You will not be able to submit your request if any of these fields are left blank. When complete, press “Save & Close” at the bottom of the page. **If you are having trouble logging in, please contact Josh Smith.**

Preferred Time of Day for scheduling a Field Trip:

Scheduling Departure and Return Times

- Morning departure times should be no earlier than 9:15 am
- Return time back to the origin school should be by 1:15 pm or after 4:45 pm
- The best times to schedule a field trip are as follows:
 - Between 9:15 am and 1:15 pm
 - After 4:45 pm
 - ***Field Trip requests outside these hours can sometimes be completed. Please contact us and we will do our best to accommodate your request.***
- Weekends, holidays and non-school days are open to virtually any timeframe.
- **LATE START WEDNESDAY**
 - The *earliest* departure time for a field trip on a Late Start Wednesday is 10:00 am

Multi-Day Trips

- If your field trip requires a drop off on one day, and pick up another day, please submit **two** separate requests in Tripfinder.
 - Example: students from Burley Glenwood Elementary are being dropped off at Camp Seymour on the 16th but will not be picked up until the 18th

Request Restrictions

- **Only 1 (one) non-athletic Field Trip outside the preferred time of day (above) will be approved per day during the school year.**
- To view available days/dates, please access the field trip calendar in Tripfinder. Click the  icon in the upper left under “Field Trips”
 - The top right are options for viewing. “List” is probably the best for viewing time of day and type
 - This is an excellent tool as it will allow you to see what field trips have already been requested on a specific day(s).
 - ***Additional Field Trip requests may be granted by exception. Please contact us and we will do our best to accommodate your request.***

FT Request deadline:

- No later than **10 school days** from the date of the field trip.

We will contact/advise you as soon as possible if this should occur.
