# Canvas Parent Access Through a Browser

Please note that in order to access Canvas, you must have a Parent Portal account that is connected to one or more VBCPS students. If you do not have a Parent Portal account, or if you cannot remember your username, please contact the school.

• In your browser (Safari, Chrome, Edge, or whatever you use), go to Parent Portal. • Enter your username and password. If you remember your username but have forgotten your password, you may use the "Forgot Password" button.	
• Click on Canvas on the left toolbar. • Click on "Canvas Access - Browser ONLY" in the middle of the page.	

If you have multiple children in VBCPS, you may use the drop-down menu in the upper right to switch from the Canvas Dashboard of one child to that of the other child.
