

# How to find SMCPS Device Name & Other Important Device Information

2023/2024 School Year

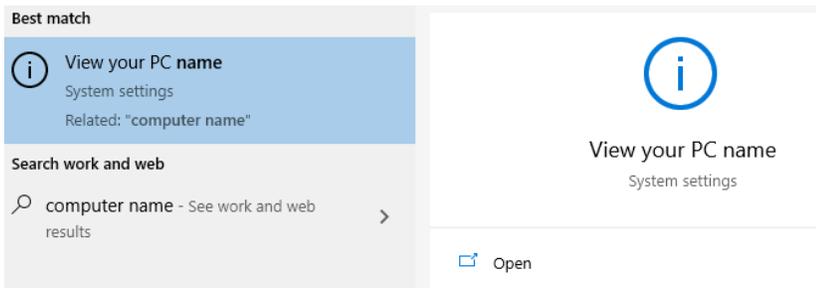

## Step 1:

Click the Start Button in the bottom left corner of the screen, and type “Computer Name”.

## Step 2:

Select “View your PC name” from the list.

## Step 3:

In the new Window, you will see all of your computer's information, click “Copy” to copy this information to your clipboard. This can now be pasted into any text window, such as email or helpdesk ticket.
