

Tell City-Troy Township School Corporation 2023-2024 Bus Route Information

Tell City Schools will once again have designated walking areas for students in grades 7-12 within the city of Tell City. There will be no 7-12 school bus services for students that live within 5 blocks of the Jr-Sr High School. For those outside this area, there will be designated stops if they desire bus service. Read route descriptions below and see the map posted in the building for details.

Please review the route descriptions attached as most routes have changed. Morning and afternoon bus routes will cover the same areas and go to the same stops listed, but drivers will decide the exact route he/she will follow. Drivers will do their best to be consistent with the time the bus arrives at each stop from day to day, but understand this time varies depending on the amount of students riding the bus and wait time for students. Please understand that we allow each individual driver to review the area he/she is covering and make adjustments to the exact location of the bus stops once the year gets started. We sometimes have to balance student loads from one bus to another. Factors such as student safety, student numbers and construction in a certain area will be considered and we will communicate such changes along to those families affected. Please be patient. If you are in doubt of a bus or location please call your schools office or central office.

Modifications for School and Extracurricular Transportation Situations

***Students will be assigned to a single primary bus and to a specific seat.**

***Parents are encouraged to have students on only one route. Regular patterns of student drop off will be considered due to divorce, after-school care, and athletic practices. If there are multiple unscheduled changes, the school may deny the changes and require student pick-up from the after school program.**

***Students are discouraged from going home with other students for non-after school care reasons.**

***Additional bus stops and routes may be assigned.**

Please go to our website at <https://www.tellcity.k12.in.us/resources/transportation> for additional bus route info, bus safety, and bus rules.

2023/2024
