

AST PARENT CODE OF CONDUCT

AST expects parents and/or guardians to show respect and concern for others by:

- Supporting the respectful culture of our school by setting a good example in your speech and behavior towards all members of the school community.
- Working together with teachers for the benefit of their children. This includes approaching the school staff to resolve any issues of concern and to discuss and clarify specific events in order to bring about a positive solution.
- Correcting your child(ren)'s behavior, especially in public, where it could otherwise lead to conflict, aggressive or unsafe behavior.
- Providing appropriate and adequate supervision for your children if they are on school premises outside of normal class or school-organized activities.
- When on campus, respecting the school environment, including keeping the school tidy by not littering.
- Observing campus security measures.

In order to support a peaceful and safe school environment, AST will not tolerate:

- Disruptive behavior anywhere on the school grounds or around the gates. This includes: Using loud and/or offensive language or displaying a temper; threatening harm or the use of physical aggression towards any adult or child; approaching someone else's child in order to discuss or chastise them.
- Damaging or destroying school property.
- Abusive or threatening emails, phone, social network or other media messages.
- Chain emails or social media communications that elicit unsolicited support for a concern or complaint and do not follow appropriate lines of communication.
- Parent absence or noncompliance in providing appropriate and adequate supervision for your children on campus outside of normal school day hours or during official school organized events.
- Negatively affecting the school image or functioning, or that of any member of the school staff.
- In any of the above or other ways, negatively affecting the school's ability to provide learning opportunities for students or negatively affecting the school, its reputation or that of any member of the school community.
