## Welcome to the 2023-2024 school year!

### DISTRICT VISION STATEMENT

Lead with respect, trust and courage.  
Ensure an equitable, collaborative  
and inclusive culture.  
Enable all to achieve success.

Adopted by Midland Public Schools Board of Education July 20, 2020.

Midland Public Schools  
Inspiring Excellence

We are honored you have chosen Midland Public Schools for your child's education. MPS remains committed to providing exceptional learning experiences and programming for all students. MPS offers diverse academic programming, including the International Baccalaureate Primary Years Program in our elementary schools and the Diploma Program in our high schools, the Advanced Learning Program grades 1-6, and preschool options for our youngest learners. We have outstanding options for Career & Technical Education, music, art, physical education, world language, athletics, co-curricular and extracurricular activities, and so much more. There is something for everyone here at MPS, and we want each student to feel included and connected to their school community. We want the same for parents and families, so please look for information from your individual school regarding parent and family events.

I am excited and proud to serve as your interim superintendent. While I am new to this role, I am not new to MPS or the Midland Community. I have been at MPS for 15 years serving in a variety of roles, from Coordinator of Career & Technical Education to Secondary Curriculum Coordinator, and most recently as Associate Superintendent. I started my teaching career at Birch Run Schools and then transitioned to Saginaw Public Schools, where I worked at the Saginaw Career Center. I have dedicated my entire career to the education of students and to supporting teachers and staff. MPS is an amazing place to learn and grow, and I know this from a parent's perspective as well. My daughter, Ava, is an MPS graduate and is starting her second year at the university. Like thousands of MPS graduates, she was ready for success after high school because of the amazing educational, cocurricular, extracurricular, and athletic opportunities we provide here at MPS. My spouse, Craig, works at MyMichigan Health and is a military veteran. We are invested in the Midland community and are thankful for all it has to offer, including our amazing schools. Our schools are exceptional because we have dedicated teachers and staff who care about students and their success. We know that our terrific students and engaged parents and families are another reason that the MPS school community is exceptional. Staying connected as a school community is important, and I look forward to a year of connecting with you all.

MPS teachers, administrators, and staff are ready to welcome students on August 22 and launch into a school year of amazing learning and growth. Let's set our intentions together for a year of collaboration, positivity, and student success. - Penny Miller-Nelson, Superintendent

**ADAMS ELEMENTARY**  
 (989) 923-6037 WEBSITE: ADE.MIDLANDPS.ORG  
 PRINCIPAL: MS. TRACY RENFRO

**Hello and welcome to a new school year!**

My name is Mrs. Tracy Renfro and I am excited to be the principal of Adams Elementary School. I have been with Midland Public Schools since 2002 and I thoroughly enjoy the daily interactions I have with students, staff, and parents. I look forward to meeting everyone in the Adams Community.

Please help me welcome the following new staff members:

- Kindergarten-Jennifer Groves
- Third Grade-Cheyenne Theis
- Fourth Grade-Erin Lejeune
- Fifth Grade-Tessa Roggenbuck
- Physical Education-Levi Britton
- Art-Rebecca Longoria
- 5th Grade Choir-Sierra Dattilo
- PYP Coordinator-Christina Tignanelli
- Social Worker-Nichole Frisch

**CENTRAL PARK ELEMENTARY**  
 (989) 923-6836 WEBSITE: CPE.MIDLANDPS.ORG  
 PRINCIPAL: MS. KARA STARK

5th Grade student, Elliot Leclair, did a research project on Invasive species. As an action connected to his project, he partnered with district staff members to buy and plant a native sugar maple tree. He provided the district with a list of materials needed and inquired about the steps needed to ensure its success. Elliot had the opportunity to help plant the tree in the yard at Central Park Elementary and see his project come to fruition! Also pictured is Ethan Chen who did his ALPS Genius Hour project on Artificial Intelligence!

## School Day

Full-day Hours 8:40am - 3:40pm  
Half-day Hours 8:40am - 11:51am

Welcome Back Pioneers! We are excited to start the 2023-2024 school year. Although you will recognize most of the staff from last year, we have new staff joining us too. This year, Ms. Kayla Bender and Mr. James Hall will be teaching fifth grade and Ms. Welmers is a Special Education Teacher. Mr. Volmering will teach at Plymouth part-time with Ms. Gallier for Physical Education, and Mr. Farison and Ms. Datillo will be our music teachers. Along with Ms. Squanda, Ms. Church is joining Plymouth to teach Art.

This year, our Ice Cream Social and Curriculum Night is on August 15, 2023 from 4:30 pm-5:30 pm. Please bring your family and join us to see your classroom, meet your teacher, find out about the school year and eat some ice cream! Thank you in advance to PTO for purchasing delicious treats for our families to enjoy.

We will be starting off the school year with an all school assembly on the first day! This will give all Pioneers a chance to review our Essential Agreements and practice showing our Plymouth spirit by singing the school song. Another way to show Plymouth spirit this year is by earning Plymouth Spirit tickets for demonstrating Learner Profile attributes throughout the school day. Pioneers can earn tickets for a chance to get a book from the new book vending machine by being principled, caring, a risk-taker, balanced, an inquirer, a communicator, open-minded and knowledgeable. We are looking forward to launching this new Positive Behavior Intervention Supports initiative!

MHS students Kayleigh Doan and Chris Bartlett were hired through the MPS Facilities department for the summer. Seen here, they're pulling weeds around the Administration Building. During summer break, they worked with Mr. Moeggenberg and Mr. Chisholm, learning various trade skills and getting on-the-job training. The Facilities department hired five students this summer. They were paired up with staff to learn skills they can apply in everyday life.

**PRE-PRIMARY CENTER  
CARPENTER STREET SCHOOL**  
(989) 923-6411 <>WEBSITE: CPP.MIDLANDPS.ORG  
DIRECTOR: MS. MELISSA AHEARN

The Pre-Primary Center at Carpenter Street School is celebrating its sixth year! Currently, we have two classrooms with the Great Start Readiness Program, one three-year-old preschool classroom, two four-year-old preschool classrooms, and three Developmental Kindergarten classrooms. This summer, we installed new playground equipment which provides another great outdoor play space for our surrounding neighborhood.

This school year we will continue to move forward in our journey with the International Baccalaureate PYP Play-Based Inquiry model. Our Developmental Kindergarten students will continue to explore inquiry through play, creativity, and natural curiosity. Staff will engage in professional development throughout the year to develop the fundamental knowledge and skills around the benefits of play.

We are so proud to work with the youngest learners within our district. We know the 2023-2024 school year is going to be filled with laughter, smiles, and so many memorable moments. Wishing all MPS students, staff, and families a wonderful school year.

**School Day**

Full-Day Hours 9:00am - 4:00pm  
Half-Day Hours 9:00am - 12:11pm

**Advanced Learning Program for Students  
(ALPS)**

**Central Park Elementary**  
a STEM exploration school

The Advanced Learning Program for Students (ALPS) held their second Genius Hour event in May where students had the opportunity to research a topic of their choice individually or with a group of students across all grade levels. Students were able to share their findings on the project of their choice with the community at Central Park after school! Pictured below are just a few of the phenomenal projects that were created by students that showcase all of their hard work and research on a specific topic!
