April Events

April 3rd - 8th - The district will be hosting the Missoula Children's Theatre.

April 5th - TK/Kindergarten RoundUp for the 23-24 School Year.

April 6th - Community Appreciation Luncheon 12pm -2pm

April 13th - Community Levy Informative Town Hall Meeting

April 17th - "Napoleon Dynamite" producer and award winning children's book author Sean Covey will be on campus to present to the students and to the community. All are welcome.

April 18th - Elementary students will be performing at the Sula Clubhouse.

April 20th - Tiger Showcase. The district would like to invite homeschool students into our district to partner with a student leader and see what courses and activities the district has to provide.

Our Community

One of my main goals as the superintendent when I was hired was to reconnect our school district with the fantastic communities that lie within our district boundaries. The past couple of years many school districts were challenged with closing their doors to the public and local organizations. This year the Darby School District has been intentional about collaborating and welcoming the public to not only be a part of the district but also help enhance our district. This year we have had several local speakers in to provide their knowledge and expertise to our students, we have also welcomed outside organizations to utilize our facilities for the betterment of their organization and individuals. We also continue to provide tremendous Adult Education opportunities to the adults of our school district. Geographically, we have the largest school district in the Bitterroot Valley, the size and breadth of our district boundaries are matched by the enormous support and involvement for the school district by the families and individuals that make up the communities in our school district. Community involvement has always been intrinsic and a core value that makes all us proud to be from Darby, Charlos Heights, Conner, and Sula and for that the Darby School District says "Thank You". As a way to let the communities know how important they are to our district the Darby School District will recognize April as Community Appreciation month and will host a couple of events as a way to say thank you.

Community Appreciation Luncheon April 6th.

As a way to let the communities of our district know how much we appreciate them we will be offering a community appreciation luncheon on April 6th from 12 pm to 2 pm in the school cafeteria. During this time we invite individuals to come and have lunch in our cafeteria. Members of our student leadership teams from both the elementary/middle school and high school will be available to help serve you food, bus your tray, give any tours and answer any questions you may have on what it is like to be a student in the Darby School District. This is just one small gesture the district can provide to give a big thank you to everyone from Charlos Heights down to Sula. If you have any questions about the Community Appreciation Luncheon or any of the events happening this April or throughout the year please do not hesitate to call the administration office at 406-821-1314.
