Welcome Back Message from Superintendent Tony Biesiot

As we embark on a new academic year, I want to extend a warm and heartfelt welcome back to school! The hallways will soon once again echo with the laughter and enthusiasm of students eager to learn and grow. Our dedicated teachers and staff are ready to provide guidance and support, while fostering an environment of academic excellence and personal development. Together, as a community, we embrace the challenges and opportunities that lie ahead. I am confident that through collaboration and determination, we will make this school year a resounding success. Let us celebrate the joy of learning and the spirit of unity as we continue to work together towards a brighter and promising future for all. Welcome back...and as always...it's a GREAT day to be a TIGER!

Classification

One of the changes to our Tiger athletics will be the reclassification of all of our athletic teams except for football. Tiger athletics will be moving from the Class C classification to Class B classification but will remain 8-Man in football. The reason for this move is not because of increased enrollment but a reclassification by the Montana High School Association(MHSA) of enrollment numbers for Class B. Members of the Class B, are high schools with an enrollment between 101-300 students. This is an adjustment from the old classification of 130-330 for Class B. Our conference will now consist of the following teams: Florence, Anaconda, Loyola, Arlee, and Powell County(Deer Lodge). No matter what class we are in or who we play, I am confident that our Tigers will compete with effort, heart, and sportsmanship.
