

## ORGANIZATIONAL CHART

# DIRECTOR OF TECHNOLOGY

Everman ISD is committed to utilizing state-of-the-art technology to personalize the educational experience of our students by developing critical thinking and problem-solving skills through project-based learning. The EISD Technology Department will provide access to digital learning resources through proven technology and telecommunications. All stakeholders will be assisted by a knowledgeable, trained staff on the use and implementation of the instructional products, resources, and services provided so that they can make the best use of both new and traditional forms of technology.
