

SUBJECT: TEMPORARY PERSONNEL

District's needs may sometimes require temporary appointments. The terms of these appointments shall be defined by the Board of Education on a case by case basis.

Student Teachers

The District will cooperate with teacher training institutions in the placement of student teachers, as determined appropriate, to provide beginning teachers with student teaching experience.

Schools are required to allow student teachers to videotape themselves providing instruction in a classroom to meet part of their performance assessment requirements for teaching certification. The video must remain confidential, is a confidential record of the New York State Education Department (SED), and is not subject to viewing or disclosure to an individual or entity other than the student teacher applicant and relevant SED personnel.

Substitute Teachers

The Superintendent will employ appropriately qualified substitute teachers. A substitute teacher is employed in place of a regularly appointed teacher who is absent, but is expected to return.

The Board will annually establish the rate for per diem substitute teachers.

The District shall engage substitute teachers in accordance with applicable law and regulations.
