

2023-24 Family Income Survey

Dear Parent/Guardian:

To ensure all students have equitable access to a high-quality public education, schools receive additional education funding based on the number of enrolled students who are from households that are at or below designated income levels. The Family Income Survey collects household income information that is used to see what additional funding the school might qualify for. The information provided may also qualify your student for additional supports. It is important that you complete this survey.

Please complete and return this form to any NV School’s front office.

Part 1. ELIGIBILITY: Figure out your total household income. Then look at the income chart below. Find your household size. **If your total household income is equal to or less than the amount listed for your household size, check the box.**

HOUSEHOLD is defined as all persons, including parents, children, grandparents, and all people related or unrelated who live in your home and share living expenses. If you’re applying for a household with a foster child, you may include the foster child in the total household size.

HOUSEHOLD INCOME is considered to be any taxable income each household member received before taxes. This includes wages, social security, pension, unemployment, welfare, child support, alimony, and any other cash income. If including a foster child as part of the household, you must also include the foster child’s personal income. Do not count foster payments as income.
