August 2023

Dear Parents/Guardians:

The Wausau School District welcomes you to the 2023 - 2024 school year.

The Board of Education and Administration realize that you and your family will have questions regarding policies and procedures as the school year progresses. To assist in making information available to you we are providing this parent/student handbook. We have included those policies that are most important for your review.

Should you have any questions regarding these policies and procedures, please feel free to contact your building principal or the Longfellow Administration Center at 715-261-0500. The complete Board of Education Policy Manual is available on our website at www.wausauschools.org by clicking on *District*, then *Board of Education* and then clicking on *Wausau School District Policy Manual*.

Have a great school year.

Sincerely,

Dr. Keith Hilts
Superintendent of Schools

It is the mission of the Wausau School District to advance student learning, achievement, and success.
