

# High School Planning Report: Boundary and Naming Processes

August 22, 2023

# Purpose

---

**Goal: Establish a cadence of transparent communication to the Board and stakeholders**

- Provide an update on the boundary process
- Provide an update on the naming process for comprehensive high school #3 and the career and college academy

# Boundary Process

# Boundary Process

- August 16 – October 1: Pasco School District stakeholder engagement using the ThoughtExchange platform.
  - Combination of online and in-person engagement
  - Intentional focus on language and technology access
- Opening Question:
  - ***What is most important to you about how Pasco School District (PSD) makes decisions about boundary revisions for PSD high schools? Why is this important to you?***

# Boundary Process

---

- ThoughtExchange Platform has been launched throughout the Pasco School District
  - At this time over 500 participants have contributed their thoughts to this process.
- October 10 Board Report: Present the outcome of ThoughtExchange process and provide an opportunity for Board discussion

# Boundary Process: Next Steps

---

- **October-November**
  - Boundary scenarios will be drafted based on the themes and priorities collected from the ThoughtExchange process.
- **December-February**
  - Stakeholder meetings to collect input and revise boundary scenarios.
- **March-April**
  - District staff will engage Board in decision making process using stakeholder input and data.

# **High School Naming Process**

# Timeline

The naming process for High School #3 and the small innovative high school will occur simultaneously.

- August 2: Naming Committee applications
- August 9-21: Thought Exchange available for name suggestions
- August 13: Committee applications close
- August 14-18: committee participants were notified

# Next Steps

---

- Naming Committee meetings
  - August 23
  - September 13
  - September 20 (if needed)
- 3-5 names selected for Board approval

# **You Belong - Tú Perteneces**
