AFTER SCHOOL PLANS

To make sure the school is not inundated with emails and phone calls to change after school plans, please see the protocol below.

1. Make sure your child knows what the plan is for after school every morning.
2. If there is an emergency and plans need to change, families must contact the teacher prior to lunch.
3. If the teacher does not respond acknowledging that they received your message by 1:20 pm (sometimes teachers are absent or in meetings), then contact the front office. Again, this is only if there is an emergency and you need to change plans
