Notes: < refers to a group below state definition for personally identifiable results.

- = no data available for that group

According to the State Council of Higher Education for Virginia (SCHEV), credits from remedial courses do not count towards a college degree and are to be excluded from the total number of credits earned.

According to the State Council of Higher Education for Virginia (SCHEV), 30 units is the equivalent of one year of college credit.

Federally recognized diplomas include Standard, Advanced Studies, and International Baccalaureate (IB) diplomas.

This report provides the best available estimates about postsecondary credits earned and is based on unofficial transcript data linked between VDOE and the State Council of Higher Education for Virginia (SCHEV).
