

Name of Student _____
Last First MI

Elementary School _____

Below is an example of a 6th grade block schedule, which is an alternating A-Day/B-Day schedule. Your student will have Math & English instruction every day. Science, U.S. History, Physical Education, & the elective block instruction takes place every other day.

A Day	B Day
English	
Mathematics	
U.S. History Part I	Science 6
PE 6/Family Life Education	Elective Block

Sixth-grade students will select one elective course from three options. You may review the elective course descriptions on the back of this page and select one of the three options below. Please give careful thought to this decision as it may not be possible to change options at a later date. ***The school schedule and courses offered are subject to change depending on student enrollment and staffing needs.***

Please check one:

- Beginning Band 6 (Year-long)**
The band director will work with your student to determine a well-suited instrument.
- ENCORE Exploratory Wheel (Four quarterly courses)**
- Sixth Grade Chorus (Year-long):** We endeavor to offer year-long Chorus 6 classes; however, depending on staffing needs, a semester (1/2 year) chorus class may be offered instead. Students may choose to repeat the semester course or take chorus one semester along with two of the quarterly wheel courses. If chorus is offered as a semester course, would your student prefer to:
 _____ **Repeat the semester chorus class & take chorus for the full year.**
 _____ **Take one semester of chorus and two exploratory wheel courses.**

Please note: Virginia law requires seventh grade students to have a TDAP vaccine. Please submit verification of the TDAP vaccine to the TMS School Nurse by the end of the 6th grade year.

Definitely moving. My child will not be attending Tabb Middle School. (NOTE: If unsure, please register to confirm electives and contact TMS School Counseling Office at 757 898-0319 when move is confirmed.)
