### What does a full meal include?

Breakfast menus offer a variety of entrees, fruit and milk selections daily. A student must take at least ½ cup fruit and two other items to make a meal.

Lunch menus include entrée choices ranging from hot feature items, grill favorites, vegetarian offerings, pizza, and more. School meals are delicious and nutritious, providing protein and grains, along with milk, fresh fruits and vegetables. To ensure balanced nutrition, and to meet State and Federal guidelines, students must take at least 1/2 cup of fruit OR 1/2 cup vegetable plus two other foods (selecting from protein, grains, milk, fruit and vegetable).

### What is the process to apply for free/reduced meals?

Families must apply each year for free/reduced meals. The application can be found at [www.harrisoncsd.org/district/business-office/food-service](http://www.harrisoncsd.org/district/business-office/food-service) as well as the main office of your child's school. Applications are kept strictly confidential, including on the cafeteria serving lines.
