Attendance

Student attendance is a crucial part of your child's success at school. A direct relationship exists between attendance and academic progress. Parents are, by law, accountable for their child's attendance.

Students attending elementary schools shall be in attendance a minimum of ninety percent (90%) of the instructional days and must make satisfactory academic progress in order to be unconditionally recommended for promotion to the next grade. Students' attendance records with less than 90 % attendance of the scheduled instructional days, will be brought to Retention Hearings and may be recommended for retention (School Board Policy 2204). Our staff will call families daily and/or make home visits to inquire about your child's absence from school.

It is our hope that by working together we can maximize your child's potential for a successful school year.

EXPLAINED ABSENCES

If your child cannot come to school, you need to report the absence and the reason for the absence to the school attendance office before 8:30 a.m. The phone number for the attendance clerk is (918)833-8602.

Following are reasons for explaining absences:

- Student illness - Please provide the office with a doctor's note for documentation of office visits.
- Death in the immediate family.
- Observance of a religious holiday.

Students who have ten (10) consecutive unexplained absences will be withdrawn by the Enrollment Center. If the student returns to school, the parent must first go to the Enrollment Center to re-enroll.

If you do not contact the school, the absence will be considered an unexplained absence. Excessive unexcused absences are grounds for interventions by school personnel and referral to the District Attorney's office for non-compliance of State Laws regarding compulsory school attendance. Students with excessive absences may be retained.

STUDENT INFORMATION AND EMERGENCY CONTACTS

Early Release

- Parents/guardians are asked to schedule out-of-school appointments outside of our bell times, to avoid the need for a late arrival or early dismissal. Getting Help With A Problem

2. Talk to the principal or school counselor right away.
3. It is natural to feel worried and upset. Talk to someone you trust so that you can release tension and anxiety.
4. A school counselor is trained to work with students to develop coping skills.
5. When the student has alerted school personnel, he/she should tell the parents about the problem if necessary.

PERSONAL PROBLEMS

For help with personal problems which may affect student school life or activities the student should:

1. If possible, discuss the problem with one's parent/guardians.
2. If a student and his/her parents/guardians cannot solve the problem, there are members of our school staff who may be able to offer additional help. Students are encouraged to visit with any teacher with whom they have built a sense of trust.
3. The school counselor is trained to offer help with personal problems. He/she can lead the student to additional resources, within and outside of the school.
4. The principal can also discuss the problem with the student and attempt to work toward a solution. The principal will reach out to others who can assist if necessary.

Parents are expected to participate and share in the responsibility for their child's academic success. In addition to staying informed about the child's progress and helping him/her at home, we invite parents to attend and become involved in Parent Events.

PARENT TEACHER ASSOCIATION (PTA)

The PTA provides a valuable resource to help parents and teachers to work together. Since parent participation has been shown to significantly contribute to children's success at school, our PTA seeks ways to encourage all parents and family members to be active participants. Fund-raising events have provided additional resources for students, such as special programs and assemblies, classroom materials, field trips, and playground equipment. All parents, family members and friends of A.G.Bell students are asked to join PTA and participate in the many events they sponsor.

Our PTA needs your help!

VOLUNTEERS

Volunteers can help in a multitude of ways – by making learning materials and preparing bulletin boards for instance. They assist children in the classrooms, during field trips, and parties, and other school and classroom activities. Parents who are unable to be at school during the school day often volunteer for projects at home. All volunteers are required to register as a school volunteer by completing a School Volunteer Profile Form yearly, which is available in the school office.

CONFERENCES

Parent-Teacher Conference Days are scheduled twice yearly for all parents. Conferences at other times are encouraged and may be scheduled by parents or teachers whenever the need arises. All conferences must be scheduled with the teacher prior to the conference time.

NEWSLETTERS AND BULLETINS

School and classroom newsletters inform parents of school events, classroom activities, announcements and other information. School bulletins are usually sent home on Thursdays.

A Home and Back Folder is to be used by each student to take papers home and back to school. Parents are asked to view the contents immediately and return any needed information as soon as possible. The folder is to be returned to school the following day.

PROGRESS REPORTS AND REPORT CARDS

Progress reports are prepared and issued by the end of the fifth week of each quarter, or whenever the need arises. Progress reports are also issued if the student's achievement is unsatisfactory. They are also used to inform parents of commendable achievement, effort and positive attitudes.

Report cards are issued quarterly. They contain valuable information about the child's academic and social behavior progress. Parents are encouraged to call the school whenever they have concerns or questions regarding the reports.

Classroom Information

TEXTBOOKS

Textbooks are provided for students to use in the classrooms and at home. Library books may be checked out for home use. We ask parents to help us teach respect for books, so they will be returned in good condition.

If a book is lost or destroyed, the student is expected to pay for the book. School records will be withheld for non-payment of lost or damaged school books.

HOMEWORK

Homework is an integral part of the total instructional program at Bell. Teachers assign homework to support and extend the class work. The intent of the homework assignments is to support the development of self-directed, enthusiastic and responsible students. Homework assignments provide an opportunity for parents to be more informed about the work students are doing in class. Students should be able to complete their homework within a reasonable amount of time at home. Parents are encouraged to communicate with teachers if the homework seems unusually difficult or time-consuming for the child.

MAKE-UP WORK

Students are encouraged to make up work for all absences. When the absence from school is explained, the student will receive credit for work that is completed in a timely manner. Students are responsible for securing and completing make-up assignments. Students will be allowed one-day make-up time for each day's absence. Credit will not be given for work missed due to an unexcused absence. Parents may request make-up work for absences by calling the school office.

Teachers will need to be notified prior to 8:00 a.m. to prepare student make-up work for parent pickup at the main office.

All refreshments are to be purchased ready-made and arrive at school unopened in their original packaging. Food will be eaten in the classroom or other approved location.

FIELD TRIPS (STUDY TRIPS)

Field Trips are planned to support the classroom activities. Parent permission is required for students to participate in trips away from school. The Tulsa Public Schools official permission form and medical release must be signed by the parent or guardian and returned to the teacher before the student goes on the study trip. We frequently request parent volunteers to assist with supervision of our students on the study trips. Volunteer chaperones must be registered as TPS Volunteers at least *two weeks prior* to the trip.

Field Trip Chaperones

Periodically classes will take field trips to compliment curriculum objectives. Some field trips require parent chaperones. You also need to provide your own transportation unless the trip is

out of town and space is available on the bus. You may also be responsible for any entry fees. Do not allow your child to bring money during a field trip, unless indicated on the permission slip.

All volunteers must complete volunteer forms two weeks prior to the trip (See Parent Facilitator). Siblings are not able to accompany AGB scholars on trips.

Levels of Interventions and Consequences and the TPS Behavior Response Plan

As with any incident of student misconduct, the school administrator must exercise informed judgment as to whether a student's actions constitute a violation of TPS Board policy and/ or the TPS Behavior Response Plan Guidelines. Our school is committed to using *progressive interventions* to positively impact student behaviors. **Repeated chronic or cumulative offenses may require higher levels of interventions/consequences**

*The following policies and procedures are in compliance with the Policies and Procedures that have been developed by Tulsa Public Schools. The TPS Behavior Response Plan and Student Rights and Responsibilities booklet provides more detailed information. It is located on our website <https://bell.tulaschools.org/>
