**BILLING RIGHTS SUMMARY**

**What To Do If You Think You Find A Mistake On Your Statement**

If you think there is an error on your statement, write to us at:

Alpine Bank  
PO Box 2705  
Grand Junction, CO 81502-2705

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of Problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors *in writing* (or electronically). You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

**Your Rights If You Are Dissatisfied With Your Credit Card Purchases**

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us *in writing* (or electronically) at:

Alpine Bank  
PO Box 2705  
Grand Junction, CO 81502-2705

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

<b>How to Avoid Paying Interest on Purchases</b>	Your due date is at least 25 days after the close of each billing cycle. We will not charge interest on new purchases, provided you have paid your previous balance in full by the due date each month. We will begin charging interest on cash advances and special transfers on the transaction date.
<b>Minimum Interest Charge</b>	If you are charged interest, the charge will be no less than \$1.00.
<b>Balance Computation Method</b>	We use a method called "average daily balance" (including new purchases). To determine your average daily balance we will compute the average daily balance for each segment and: 1) add the daily balances together and 2) divide the sum by the number of days in the billing cycle. To determine your daily balance for a segment: 1) Take the beginning balance and add in new transactions and the periodic interest charge on the previous day's balance. (2) Subtract any payments and credits for that segment as of that day. However, if you paid your previous month's balance in full (or if your balance was zero or a credit amount), new transactions which post to your purchase or special purchase segments are not added to the daily balances.
<b>Payment Processing</b>	When you send a written check we may initiate an electronic debit for the amount of your check to your account at the financial institution on which the check was written. Your payment will appear as an electronic debit on the statement for the account from which you made payment and will include the name of the payee Alpine Bank, the check number and the payment amount.
