BILLING RIGHTS SUMMARY

In Case of Errors or Questions about Your Bill

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us (on a separate sheet) at: Dispute Management, 516 Edgewater Drive, Wakefield, MA 01880 as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at 1-888-284-3703 but doing so will not preserve your rights. In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are not sure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

Special Rule for Credit Card Purchases

If you have a problem with the quality of goods or services that you purchased with a credit card and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of purchase.)

How to Avoid Paying Interest on Purchases	Your due date is at least 25 days after the close of each billing cycle. We will not charge interest on new purchases, provided you have paid your previous balance in full by the due date each month. We will begin charging interest on cash advances and special transfers on the transaction date.
Minimum Interest Charge	If you are charged interest, the charge will be no less than \$1.00.
Balance Computation Method	We use a method called "average daily balance" (including new purchases). To determine your average daily balance we will compute the average daily balance for each segment and: 1) add the daily balances together and 2) divide the sum by the number of days in the billing cycle. To determine your daily balance for a segment: 1) Take the beginning balance and add in new transactions and the periodic interest charge on the previous day's balance. (2) Subtract any payments and credits for that segment as of that day. However, if you paid your previous month's balance in full (or if your balance was zero or a credit amount), new transactions which post to your purchase or special purchase segments are not added to the daily balances.
Payment Processing	When you send a written check we may initiate an electronic debit for the amount of your check to your account at the financial institution on which the check was written. Your payment will appear as an electronic debit on the statement for the account from which you made payment and will include the name of the payee Alpine Bank, the check number and the payment amount.
