3.8.1 PM understands that District officials and employees are prohibited from involvement in decisions in which they may have a financial interest pursuant to Government Code sections 1090 and 87100 et seq., and certifies that it does not know of any facts indicating that any District official or employee has an ownership or other financial interest, direct or indirect, in this Agreement. Further, PM hereby certifies that no current District official or employee of District, and no one who has been a District official or employee of District within the past two years has participated in bidding, selling or promoting this Agreement. PM understands that in addition to the remedies available at law, that any failure to provide an accurate certification or any violation of this provision shall make the Agreement voidable by District.

3.8.2 If involved in the preparation of request for proposals or selection thereof, PM shall not be permitted to submit proposals or otherwise seek contracts for the following services to be procured by District in connection with any project covered by this Agreement: Design Professional, Construction Manager, IOR or Test/Inspection. If PM identifies potential Design Professional, Construction Manager, Project Inspector or Test/Inspection services in connection with a project, PM shall affirmatively and unequivocally represent and warrant to District that neither PM nor any person who holds equity interest in PM's organization is a former or current holder of any equity interest in the firm identified or has any financial interest in the firm identified. District reserves the sole discretion to waive this subsection's requirements on a case-by-case basis.

ARTICLE 4. PM Staff

4.1 District selected PM to perform the Services because of PM's skills and expertise of key personnel.

4.2 PM agrees that the following key personnel in PM's firm shall be associated with the Program and perform the Services in the following capacities:

- Principal In Charge: _____
- Project Director: _____
- Project Manager: _____
- Other: _____

- 4.3 PM shall not change any of the key personnel listed above without District's prior written approval, unless said personnel cease to be employed by PM. Regardless of the reason for the change in key personnel, District shall be allowed to interview and retains the right to approve replacement personnel.
- 4.4 All lead or key personnel for any Consultant must be designated by the Consultant and are subject to all conditions stated in this Agreement. If any designated lead or key person fails to perform to the satisfaction of District, then upon District's written notice, PM will have seven (7) calendar days to remove that person from the Project and shall provide a replacement person acceptable to District.
- 4.5 PM represents that it has no existing interest and will not acquire any interest, direct or indirect, that could conflict in any manner or degree with the performance of Services required under this Agreement. PM agrees further that no person having any such interest shall be employed by PM.

ARTICLE 5. Schedule of Work

PM shall commence work under this Agreement upon receipt of a Notice to Proceed and shall prosecute the work diligently as described in **Exhibit A** so as to proceed with and complete the Services in compliance with the schedule attached as **Exhibit C**. Time is of the essence and failure of PM to perform work on time as specified in this Agreement is a material breach of this Agreement. ARTICLE 6. Construction Cost Budget

- 6.1 PM shall have responsibility, along with the Architect, to develop, review, and reconcile the Construction Cost Budget per Project with the Architect and District throughout the design process and construction.
- 6.2 The Construction Cost Budget shall be the total cost to District of all Project elements the Design Team designs or specifies.
- 6.3 PM shall work cooperatively with the Project Design Team throughout the Project, including but not limited to, the Schematic Design Phase, Design Development Phase, and Construction Documents Phase, as described in **Exhibit A**, so that the Project's construction cost as designed by the Project Design Team will not exceed the Construction Cost Budget, as may be adjusted subsequently with District's written approval. PM shall notify District if it believes the Project's construction cost of the work by the Project Design Team will exceed the Construction Cost Budget, and/or if it believes the construction cost as designed will exceed the Construction Cost Budget. PM, however, shall not perform or be responsible for any design or architectural services.

- 6.4 Evaluations of District's Construction Budget, and PM's preliminary and detailed cost estimates, represent PM's best judgment as a professional familiar with the construction industry.
- 6.5 If the Bidding Phase has not commenced within ninety (90) days after DSA approval of the plans and specifications, the Construction Cost Budget may be adjusted at District's request to reflect changes in the general level of prices in the construction industry between the date of submission of the Construction Documents to District and the date on which proposals are sought.
- 6.6 District may, in its sole discretion, do one, or a combination, of the following if any of the events in Article 6.7 occur:
 - 6.6.1 Give PM written approval of an agreed adjustment to the Construction Cost Budget.
 - 6.6.2 Authorize PM to re-negotiate and/or re-bid the Project, when appropriate, within three (3) months' time of receipt of bids, at no additional cost to District (exclusive of District and other agencies' review time).
 - 6.6.3 Terminate this Agreement if the Project is abandoned by District without further obligation by either party.
 - 6.6.4 Within three (3) months of receipt of bids, instruct Design Team to revise the drawings and specifications (in scope and quality as approved by District) to bring the Project within the Construction Cost Budget for re-bidding. PM will perform cost estimation, value engineering, constructability reviews, and/or bidding support at no additional cost to District.
- 6.7 If any of the following events occur, District may exercise any one, or any combination, of the actions set forth in Article 6.6 above:
 - 6.7.1 The lowest responsive base bid received is five percent (5%) or more in excess of the Construction Cost Budget or
 - 6.7.2 The combined total of base bid and all additive alternates equal or exceed ten percent (10%) of the Construction Cost Budget; or
 - 6.7.3 The Construction Cost Budget increases in phases subsequent to the Schematic Design Phase due to reasonably foreseeable changes in the condition of the construction market in Bay Area, in so far as these have not been caused by Acts of God, earthquakes, strikes, war, or energy shortages due to uncontrollable events in the world economy.

ARTICLE 7. Fee and Method of Payment for Basic Services

- 7.1 District shall pay PM an amount not to exceed _____ Dollars (\$_____) for all services contracted for under this Agreement and based on the Fee Schedule set forth in **Exhibit D**.
- 7.2 District shall pay PM the Fee pursuant to the provisions herein and the method of payment set forth in **Exhibit D**.
- 7.3 PM shall bill its work under this Agreement on a percent of completion basis in accordance with **Exhibit D**.
- 7.4 No increase in fee will be due from change orders generated during the construction period to the extent caused by PM’s error(s) or omission(s).
- 7.5 PM’s fee set forth in this Agreement shall be full compensation for all of PM’s Services incurred in the performance hereof as indicated in **Exhibit D**, including, without limitation, all costs for personnel, travel within two hundred (200) miles of the Project location, offices, per diem expenses, printing, providing or shipping of deliverables in the quantities set forth in **Exhibit A**.
- 7.6 Regardless of the structure of Fee, the Fee may be adjusted downward if the Scope of Services of this Agreement is reduced by the District in accordance with this Agreement.

ARTICLE 8. Payment for Extra Services

- 8.1 Any charges for Extra Services shall be paid by District as described in **Exhibit B** at the rates set forth in **Exhibit D** only upon certification of District’s prior written authorization of the claimed Extra Services and the Extra Services have been satisfactorily completed.
- 8.2 PM shall submit to District a written proposal describing the proposed scope of services and listing the personnel, labor duration, rates, and cost. PM shall proceed with Extra Services only upon receiving District’s prior written authorization. PM will not be entitled to any compensation for Extra Services performed prior to receiving District’s written authorization.
- 8.3 If PM performs any Extra Services without District’s authorized representative’s prior written authorization, District will not be obligated to pay for such Extra Services. The foregoing provision notwithstanding, PM will be paid by District as described in **Exhibit B** for Extra Services District’s authorized representative verbally requests, provided PM confirms such request in writing pursuant to the notice requirements of this Agreement, and proceeds with such Extra Services not earlier than two (2) business days after District receives PM’s written confirmation of the request.

ARTICLE 9. Ownership of Data

- 9.1 All of PM’s work product prepared or generated in connection with this Agreement is District’s property.
- 9.2 Upon District’s request, PM shall make available to District all work product completed or in progress at the time of such a request.
- 9.3 After Project completion or, if District exercises the right to terminate this Agreement pursuant to the Agreement terms, PM shall assemble and deliver to District within five (5) calendar days of District’s written request, all of PM’s work product of the generated, prepared, reviewed or compiled in connection with this Agreement and the Services and authorized Extra Services hereunder. This includes, without limitation, all PM generated documents, copies of all documents PM exchanged with or copied to or from all other Project participants, and all closeout documents. PM shall be index and organize appropriately said Project records for easy use by District personnel.
- 9.4 All Project records are District property, whether or not those records are in PM’s possession. District retains all rights to all copyrights, designs, and other intellectual property embodied in the plans, record drawings, specifications, estimates, and other documents that PM or its Consultants prepare or cause to be prepared pursuant to this Agreement. Notwithstanding the preceding sentence, PM and its Consultants shall be entitled to reuse work product generated under this Agreement.

ARTICLE 10. Termination of Contract

- 10.1 District’s Request for Assurances: If District at any time reasonably believes PM is or may be in default under this Agreement, District may in its sole discretion notify PM of this fact and request written assurances from PM of performance of Services and a written plan from PM to remedy any potential default under the terms this Agreement that District may advise PM of in writing. PM shall, within ten (10) calendar days of District’s request, deliver a written cure plan that meets District’s requirements in its request for assurances. PM’s failure to provide such written assurances of performance and the required written plan, within ten (10) calendar days of request, will constitute a material breach of this Agreement sufficient to justify termination for cause.
- 10.2 District’s Termination of PM for Cause: If PM fails to perform PM’s duties to District’s satisfaction, or if PM fails to fulfill in a timely and professional manner PM’s material obligations under this Agreement, or if PM violates any of the material terms or provisions of this Agreement, District shall have the right to terminate this Agreement effective immediately upon District giving PM written notice thereof. In the event of a termination pursuant to this subdivision, PM may invoice District for all work performed until the notice of termination, but District shall have the right to withhold payment and deduct any

amounts equal to District's costs because of PM's actions, errors, or omissions.

- 10.3 District's Termination of PM for Convenience: District shall have the right in its sole discretion to terminate this Agreement for its own convenience. In the event of a termination for convenience, PM may invoice District and District shall pay all undisputed invoice(s) for work performed until the notice of termination. This shall be the only amount(s) potentially owing to PM if there is a termination for convenience.
- 10.4 PM's Termination of Agreement for Cause: PM has the right to terminate this Agreement if District does not fulfill its material obligations under this Agreement and fails to cure such material default within sixty (60) days of receipt of written notice of said defaults, or if the default cannot be cured within sixty (60) days, commence to cure such default, diligently pursue such cure, and complete the cure within a reasonable time following written notice and demand from PM. Such termination shall be effective after receipt of written notice from PM to District.
- 10.5 Effect on Pre-Termination Services: Except as indicated in this Article, termination shall have no effect upon any of the rights and obligations of the Parties arising out of any transaction occurring prior to the effective date of such termination.
- 10.6 Ceasing Services upon Termination: If, at any time in the progress of performing Services under this Agreement, District determines that PM's Services should be terminated, PM, upon District's written notice of such termination, shall immediately cease providing Services, except to transfer files as directed by District. District shall pay PM only the fee associated with the Services provided and approved by District since the last paid invoice and up to the notice of termination.
- 10.7 Suspension: If PM's Services are suspended by District for more than one hundred and eighty (180) consecutive days, PM shall be compensated for services performed prior to notice of such suspension. When PM's Services are resumed, the schedule shall be adjusted and PM's compensation shall be equitably adjusted to provide for expenses incurred in the resumption of PM's Services. PM shall make every effort to maintain the same Program personnel after suspension.

ARTICLE 11. Indemnity

- 11.1 To the furthest extent permitted by California law, PM shall indemnify and hold free and harmless District, its Governing Board, agents, representatives, officers, consultants, employees, trustees, and volunteers ("the Indemnified Parties") from any and all claims, demands, causes of action, costs, expenses, liability, loss, damage or injury of any kind, in law or equity ("Claim") that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of PM, its officers, employees, subcontractors,

consultants, or agents, including without limitation, the payment of all consequential damages. PM shall also, to the furthest extent permitted by California law, defend the Indemnified Parties at PM's own expense, including attorneys' fees and costs, from any and all Claim(s) and allegations relating thereto with counsel approved by District where such approval is not to be unreasonably withheld.

- 11.2 PM shall pay and satisfy any judgment, award, or decree that may be rendered against the Indemnified Parties in any Claim. PM's obligation pursuant to Article 11.1 includes reimbursing District for the cost of any settlement paid by the Indemnified Parties and for any and all fees and costs, including but not limited to, legal fees and costs, expert witness fees, and consultant fees, incurred by the Indemnified Parties in the defense of any Claim(s), or to enforce the indemnity herein. PM's obligation to indemnify shall not be restricted to insurance proceeds.
- 11.3 District may withhold from amounts owing to PM any and all costs that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of PM.

ARTICLE 12. Conduct on Project Site and Fingerprinting

- 12.1 Unacceptable and/or loud language will not be tolerated. "Cat calls" or other derogatory language toward students or public will not be allowed.
- 12.2 Drugs, alcohol, and smoking on District property are strictly prohibited. No drugs, alcohol and/or smoking are allowed at any time in any building and/or grounds on District's property. No students, staff, visitors or contractors are to use drugs on District's property.
- 12.3 PM shall comply with the provisions of Education Code section 45125.1 regarding the submission of employee fingerprints to the California Department of Justice and the completion of criminal background investigations of its employees. PM shall not permit any employee to have any contact with District pupils until such time as PM has verified in writing to the governing board of District that the employee has not been convicted of a felony, as defined in Education Code section 45122.1. PM's responsibility shall extend to all employees, agents, and employees or agents of its Consultants regardless of whether those individuals are paid or unpaid, concurrently employed by District, or acting as PM's independent contractors. PM shall provide to District verification of compliance with this section by submitting an executed Criminal Background Investigation Certification (**Exhibit E**) prior to commencing employment or participating on the Program and prior to permitting contact with any student.

ARTICLE 13. Responsibilities of District

- 13.1 District shall examine the documents submitted by PM and shall render decisions so as to avoid unreasonable delay in the process of PM's Services.

- 13.2 District shall provide to PM as complete information as is available to District regarding District's Project requirements.
- 13.3 District shall retain design professional(s) whose services, duties and responsibilities will be described in written agreement(s) between District and design professional(s).
- 13.4 District shall designate an officer, employee and/or other authorized representatives to act on District's behalf with respect to the Program. District's Program representative shall be available during working hours and as often as may be required to render decisions and to furnish information in a timely manner.

ARTICLE 14. Liability of District

- 14.1 Other than as provided in this Agreement, District's obligations under this Agreement shall be limited to the payment of the compensation as provided in this Agreement. Notwithstanding any other provision of this Agreement, in no event shall District be liable, regardless of whether any claim is based on contract or tort, for any special, consequential, indirect or incidental damages, including but not limited to, lost profits or revenue, arising out of or in connection with this Agreement for the services performed in connection with this Agreement.
- 14.2 PM shall pay to District any and all costs incurred by District, or for which District may become liable, to the extent caused by negligent delays, acts, or omissions of PM in its performance of its Services.
- 14.3 District shall not be responsible for any damage to persons or property as a result of the use, misuse or failure of any equipment used by PM, or by its employees, even though such equipment be furnished or loaned to PM by District.
- 14.4 PM hereby waives any and all claim(s) for recovery from District under this Agreement, which loss or damage is covered by valid and collectible insurance policies. PM agrees to have its required insurance policies endorsed to prevent the invalidation of insurance coverages by reason of this waiver. This waiver shall extend to claims paid, or expenses incurred, by PM's insurance company on District's behalf.

ARTICLE 15. Insurance

- 15.1 PM shall procure, prior to commencement of Services, and will maintain for the duration of the Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by PM, their agents, representatives, employees and sub-consultant(s). PM's liabilities, including but not limited to, PM's indemnity or defense obligations under this Agreement, shall not be deemed limited in any way to the insurance coverage required herein. Maintenance of specified insurance coverage is a material element of this Agreement and PM's failure to maintain or renew coverage or

to provide evidence of renewal during the term of this Agreement, as required or when requested, may be treated by District, subject to its sole discretion, as a material breach of contract.

15.2 **Minimum Scope and Limits of Insurance:** Coverage shall be at least as broad as the following scopes and limits:

15.2.1 **Commercial General Liability.** Five million dollars (\$5,000,000) per occurrence for bodily injury, personal injury, property damage, death, advertising injury, and medical payments arising from the performance of any portion of the Services. If Commercial General Liability or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this Project/location or the general aggregate limit shall be twice the required occurrence limit.

15.2.2 **Commercial Automobile Liability, Any Auto.** One million dollars (\$1,000,000) per occurrence. If a general aggregate limit is used, either the general aggregate limit shall apply separately to each Project/location or the general aggregate limit shall be Two million dollars (\$2,000,000).

15.2.3 **Workers' Compensation.** Statutory limits required by the State of California. For all of PM's employees who are subject to this Agreement and to the extent required by the applicable state or federal law, PM shall keep in full force and effect, a Workers' Compensation policy. PM shall provide an endorsement that the insurer waives the right of subrogation against District and its respective elected officials, officers, employees, agents, representatives, consultants, trustees, and volunteers.

15.2.4 **Employer's Liability.** One million dollars (\$1,000,000) per accident for bodily injury or disease. For all of PM's employees who are subject to this Agreement, PM shall keep in full force and effect, an Employment Practices Liability policy. That policy shall provide employers' liability coverage with minimum liability coverage of Two million dollars (\$2,000,000) per occurrence. PM shall provide an endorsement that the insurer waives the right of subrogation against District and its respective elected officials, officers, employees, agents, representatives, consultants, trustees, and volunteers.

15.2.5 **Professional Liability.** This insurance shall cover PM and its sub-consultant(s), if any, for Two million dollars (\$2,000,000) aggregate limit subject to no claim deductible, coverage to continue through completion of construction plus two years thereafter. The policy must contain terms or endorsements extending coverage that requires the insurer to defend and indemnify for acts

which happen before the effective date of the policy provided the claim is first made during the policy period.

- 15.3 District reserves the right to modify the limits and coverages described herein, with appropriate credits or charges to be negotiated for such changes.
- 15.4 **Deductibles and Self-Insured Retention:** Any deductibles or self-insured retention exceeding Twenty-Five Thousand Dollars (\$25,000) must be declared to and approved by District. At the option of District, either:
 - 15.4.1 District can accept the higher deductible;
 - 15.4.2 PM's insurer shall reduce or eliminate such deductibles or self-insured retention as respects District, its officers, officials, employees and volunteers; or
 - 15.4.3 PM shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.
- 15.5 **Other Insurance Provisions:** The general liability and automobile liability policies are to contain, or be endorsed to contain, the following provisions:
 - 15.5.1 All policies except for the worker's compensation, employer's liability and professional liability insurance policy shall be written on an occurrence form.
 - 15.5.2 District, its representatives, consultants, trustees, officers, officials, employees, agents, and volunteers ("Additional Insureds") are to be covered as additional insureds as respects liability arising out of activities performed by or on behalf of PM; Instruments of Service and completed operations of PM; premises owned, occupied or used by PM; or automobiles owned, leased, hired or borrowed by PM. The coverage shall contain no special limitations on the scope of protection afforded to the Additional Insureds. All endorsements shall waive any right to subrogation against any of the Additional Insureds.
 - 15.5.3 Any failure to comply with reporting or other provisions of the policies including breaches of warranties shall not affect coverage provided to the Additional Insureds.
 - 15.5.4 PM shall pay all insurance premiums, including any charges for required waivers of subrogation or the endorsement of additional insureds. If PM fails to maintain insurance, District may take out comparable insurance, and deduct and retain amount of premium from any sums due PM under the Agreement.

- 15.5.5 PM's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.
 - 15.5.6 Each insurance policy required by this clause shall be endorsed to state that coverage shall not be canceled, not renewed, or material change in coverage except after thirty (30) days prior written notice by certified mail, return receipt requested, has been given to District.
 - 15.5.7 PM's insurance coverage shall be primary and non-contributory insurance as respects the Additional Insureds with respect to any claims related to, arising out of, or connected with the Project. Any insurance or self-insurance maintained by the Additional Insureds shall be in excess of PM's insurance and shall not contribute with it.
 - 15.5.8 PM shall provide an endorsement that the insurer waives the right of subrogation against District and its respective elected officials, officers, employees, agents, representatives, consultants, trustees, and volunteers.
 - 15.5.9 PM shall require all subconsultants to maintain the level of insurance PM deems appropriate with respect to the consultant's scope of the Work unless otherwise indicated in the Agreement. PM shall cause the subconsultants to furnish proof thereof to District within ten (10) Days of District's request. Should PM not require subconsultants to provide the same level of insurance as is required of PM, as provided in this Agreement, PM is not relieved of its indemnity obligations to District or fulfilling its insurance requirements as provided in this Agreement.
 - 15.5.10 If PM normally carries insurance in an amount greater than the minimum amounts required herein, that greater amount shall become the minimum required amount of insurance for purposes of the Agreement. Therefore, PM hereby acknowledges and agrees that all insurance carried by it shall be deemed liability coverage for all actions it performs in connection with the Agreement.
- 15.6 **Acceptability of Insurers:** Insurance is to be placed with insurers admitted in California with a current A.M. Best's rating of no less than A:VII. PM shall inform District in writing if any of its insurer(s) have an A.M. Best's rating less than A:VII. At the option of District, District may either:
- 15.6.1 Accept the lower rating; or
 - 15.6.2 Require PM to procure insurance from another insurer.

- 15.7 **Verification of Coverage:** Prior to commencing with its provision of Services under this Agreement, but no later than three (3) calendar after the Notice of Award, PM shall furnish District with:
- 15.7.1 Certificates of insurance showing maintenance of the required insurance coverage;
 - 15.7.2 Original endorsements affecting coverage. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. All endorsements are to be received and approved by District before work commences.
- 15.8 **Copy of Insurance Policy(ies):** Upon District's request, PM will furnish District with a copy of all insurance policies related to its provision of Services under this Agreement.

ARTICLE 16. Nondiscrimination

PM agrees to comply with the provisions of the California Fair Employment and Housing Act as set forth in part 2.8 of division 3 of the California Government Code, commencing at section 12900; the Federal Civil Rights Act of 1964, as set forth in Public Law 88-352, and all amendments thereto; Executive Order 11246; and all administrative rules and regulations found to be applicable to Consultant and all of its subcontractors. In addition, Consultant agrees to require like compliance by all of its subcontractor(s).

ARTICLE 17. Covenant Against Contingent Fees

PM warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for PM, to solicit or secure this Agreement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for PM, any fee, commission, percentage, brokerage fee, gift, or any other consideration contingent on or resulting from the award or making of this Agreement. For breach or violation of this warranty, District shall have the right to annul this Agreement without liability, or in its discretion, to deduct from the contract price or consideration or otherwise recover the full amount of such fee, commission, percentage fee, gift, or contingency.

ARTICLE 18. Entire Agreement/Modification

This Agreement, including the Exhibits hereto, supersedes all previous contracts and constitutes the entire understanding of the Parties hereto. PM shall be entitled to no benefit other than those specified herein. No changes, amendments or alterations shall be effective unless in writing and signed by both Parties. PM specifically acknowledges that in entering into this Agreement, PM relies solely upon the provisions contained in this Agreement and no others.

ARTICLE 19. Non-Assignment of Agreement

This Agreement is intended to secure PM's specialized services. PM may not assign, transfer, delegate or sublet any interest therein without District's

prior written consent. Any assignment, transfer, delegation or sublease without District's prior written consent shall be considered null and void.

ARTICLE 20. Law, Venue

20.1 This Agreement has been executed and delivered in the State of California and the validity, enforceability and interpretation of any of the clauses of this Agreement shall be determined and governed by the laws of the State of California.

20.2 The county in which the District administration office is located shall be the venue for any action or proceeding that may be brought or arise out of, in connection with or by reason of this Agreement.

ARTICLE 21. Alternative Dispute Resolution

21.1 All claims, disputes or controversies arising out of, or in relation to the interpretation, application or enforcement of this Agreement may be decided through mediation as the first method of resolution. Notice of the demand for mediation of a dispute shall be filed in writing with the other party to the Agreement. The demand for mediation shall be made within a reasonable time after written notice of the dispute has been provided to the other party, but in no case longer than ninety (90) days after initial written notice.

21.2 If a claim, or any portion thereof, remains in dispute upon satisfaction of all applicable dispute resolution requirements, the Consultant shall comply with all claims presentation requirements as provided in Chapter 1 (commencing with section 900) and Chapter 2 (commencing with section 910) of Part 3 of Division 3.6 of Title 1 of Government Code as a condition precedent to the Consultant's right to bring a civil action against District. For purposes of those provisions, the running of the time within which a claim must be presented to District shall be tolled from the time the Consultant submits its written claim until the time the claim is denied, including any time utilized by any applicable meet and confer process.

21.3 Notwithstanding any disputes, claims or other disagreements between PM and District, PM shall continue to provide and perform Services hereunder pending a subsequent resolution of such disputes.

ARTICLE 22. Tolling of Claims

PM agrees to toll all statutes of limitations for District's assertion of claims against PM that arise out of, pertain to, or relate to Contractors' or subcontractors' claims against District involving PM's work, until the Contractors' or subcontractors' claims are finally resolved.

ARTICLE 23. Severability

If any term, covenant, condition or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the

remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby.

ARTICLE 24. Employment Status

- 24.1 PM shall, during the entire term of Agreement, be construed to be an independent contractor and nothing in this Agreement is intended nor shall it be construed to create an employer-employee relationship, a joint venture relationship, or to allow District to exercise discretion or control over the professional manner in which PM performs the Services which are the subject matter of this Agreement; provided always, however, that the Services to be provided by PM shall be provided in a manner consistent with all applicable standards and regulations governing such Services.
- 24.2 PM understands and agrees that PM's personnel are not and will not be eligible for: membership in, or to receive any benefits from, any District group plan for hospital, surgical or medical insurance; membership in any District retirement program; paid vacation, paid sick leave or other leave, with or without pay; or any other benefits which accrue to a District employee.
- 24.3 Should District, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Department, or both, determine that PM or any employee of PM is an employee of District for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by PM which can be applied against this liability). District shall then forward those amounts to the relevant taxing authority.
- 24.4 Should a relevant taxing authority determine a liability for past services performed by PM for District, upon notification of such fact by District, PM shall promptly remit the amount due or arrange with District to have the amount due withheld from future payments to PM under this Agreement (again, offsetting any amounts already paid by PM which can be applied as a credit against that liability).
- 24.5 A determination of employment status pursuant to the preceding two paragraphs shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, PM shall not be considered an employee of District. Notwithstanding the foregoing, should any court, arbitrator, or administrative authority determine PM is an employee for any other purpose, then PM agrees to a reduction in District's liability resulting from this Agreement pursuant to principles similar to those stated in the foregoing paragraphs so that the total expenses of District under this Agreement shall not be greater than they would have been had the court, arbitrator, or administrative authority determined PM was not an employee.

24.6 Nothing in this Agreement shall operate to confer rights or benefits on persons or entities not a party to this Agreement.

ARTICLE 25. Warranty of PM

25.1 PM warrants that PM is properly licensed and/or certified under the laws and regulations of the State of California to provide the Services that it has herein agreed to perform. PM further warrants that all of the work PM performs under this Agreement shall comply with all applicable laws, rules, regulations and codes of the United States and the State of California. PM also warrants that it shall comply with all applicable ordinances, regulations, and resolutions of San Mateo County.

25.2 PM certifies that it is aware of the provisions of the California Labor Code of the State of California, requiring every employer to be insured against liability for workers compensation or to undertake self-insurance in accordance with the provisions of that code, and it certifies that, if applicable, it will comply with those provisions before commencing the performance of the work of this Agreement.

25.3 To the extent that the work performed under this contract is subject to labor compliance and enforcement by the DIR, PM specifically acknowledges and understands that it shall perform the Services while complying with all applicable provisions of Division 2, Part 7, Chapter 1 of the Labor Code and Title 8 of the California Code of Regulations.

ARTICLE 26. Cost Disclosure - Documents and Written Reports

Pursuant to section 17076.11 of the Education Code, District has a participation goal for disabled veteran business enterprises ("DVBE") of at least three percent (3%), per year, of funds expended each year by District on projects that use funds allocated by the State Allocation Board pursuant to the Leroy F. Greene School Facilities Act (the "Act"). This Project may use funds allocated under the Act. Therefore, PM, before it executes the Agreement, shall provide to District certification of compliance with the procedures for implementation of DVBE contracting goals, appropriate documentation identifying the amount(s) intended to be paid to DVBEs in conjunction with the contract, and/or documentation demonstrating PM's good faith efforts to meet these goals.

ARTICLE 29. District's Right to Audit

- 29.1 District retains the right to review and audit, and the reasonable right of access to PM's and any Consultant's premises to review and audit PM's compliance with the provisions of this Agreement ("District's Right"). District's Right includes the right to inspect, photocopy, and to retain copies, outside of PM's premises, of any and all Project-related records and other information with appropriate safeguards, if such retention is deemed necessary by District in its sole discretion. District shall keep this information confidential, as allowed by applicable law.
- 29.2 District's Right includes the right to examine any and all books, records, documents and any other evidence of procedures and practices that District determines is necessary to discover and verify whether PM is in compliance with all requirements of this Agreement.
- 29.3 If there is a claim for additional compensation or for Extra Services, District's Right includes the right to examine books, records, documents, and any and all other evidence and accounting procedures and practices that District determines is necessary to discover and verify all direct and indirect costs, of whatever nature, which are claimed to have been incurred, or anticipated to be incurred.
- 29.4 PM shall maintain complete and accurate records in accordance with generally accepted accounting practices in the industry. PM shall make available to District for review and audit all Project-related accounting records and documents and any other financial data.

Upon District's request, PM shall submit exact duplicates of originals of all requested records to District.

- 29.5 PM shall include audit provisions in any and all of its subcontracts, and shall ensure that these sections are binding upon all Consultants.
- 29.6 PM shall comply with these provisions within fifteen (15) days of District's written request to review and audit any or all of PM's Project-related records and information.

ARTICLE 30. Other Provisions

- 30.1 PM shall be responsible for the cost of construction change orders caused directly by PM's willful misconduct or negligent acts, errors or omissions. Without limiting PM's liability for indirect or consequential cost impacts, the direct costs for which PM shall be liable shall equal its proportionate share of the difference between the cost of the change order and the reasonable cost of the work had such work been a part of the originally prepared Construction Documents. These amounts shall be paid by PM to District or District may withhold those costs from amounts due or to become due to PM.
- 30.2 Neither District's review, approval of, nor payment for, any of the Services required under this Agreement shall be construed to operate as a waiver of any rights under this Agreement, and PM shall remain liable to District in accordance with this Agreement for all damages to District caused by PM's failure to perform any of the Services furnished under this Agreement to the standard of care of PM for its Services, which shall be, at a minimum, the standard of care of program and construction managers performing similar work for California public school districts at or around the same time and in or around the same geographic area of District.
- 30.3 PM shall share, credit, or reimburse District fifty percent (50%) of the amount of any tax deduction and/or credit PM receives for District Projects under the Commercial Buildings Energy-Efficiency Tax Deduction, 26 U.S. Code § 179D ("Section 179D"). PM shall provide District with all necessary documentation to enable District to verify the amounts of the Section 179D tax deduction. PM shall notify District in writing of the Section 179D tax deduction within 30 days of when PM receives IRS notice of the Section 179D tax deduction or receives the Section 179D tax refund, whichever occurs first.
- 30.4 Each party warrants that it has had the opportunity to consult counsel and understands the terms of this Agreement and the consequences of executing it. In addition, each party acknowledges that the drafting of this Agreement was the product of negotiation, that no party is the author of this Agreement, and that this Agreement shall not be construed against any party as the drafter of the Agreement.

30.5 The individual executing this Agreement on behalf of PM warrants and represents that she/he/they is authorized to execute this Agreement and bind PM to all terms hereof.
