#### **WORK SESSION MINUTES**

11/Board members met in a work session on February 12, 2018.

#### 1. CALL MEETING TO ORDER

Board Chair Erik Bishoff called the Springfield Board of Education meeting to order in the Board Room of the District Administration Center at 5:00 pm.

#### Attendance

Board Members present included Board Chair Erik Bishoff, Board Vice Chair Emilio Hernandez, Zach Bessett and Tony Jobanek. Mr. Bishoff said Ms. Adams would not be at tonight's meeting.

District staff and community members identified included Superintendent Sue Rieke-Smith, David Collins, Jenna McCulley, Brett Yancey, Tom Lindly, Suzanne Price, Bruce Smolinsky, Brian Megert, Kevin Ricker, and Linda Henry.

# 2. PARTNERSHIP WITH NORTHWEST CHRISTIAN UNIVERSITY (NCU)

Brett Yancey offered a report on the District's potential partnership with NCU. He explained that the baseball field had been eliminated as part of the original work at Hamlin Middle School (HMS). As build out of the HMS campus continued, the replacement baseball field was considered. He was recently contacted by NCU, which planned to begin a baseball program in 2018, about the possibility of partnering with NCU on the construction and use of a new field. Negotiations continued about use of artificial or natural turf. NCU would submit a financial proposal for 5 to 10 years that would include artificial turf for part of the field. Mr. Yancey would bring the proposal to the Board.

In response to Board members, Mr. Yancey said the District would not save money if it contracted with NCU because the impact on the grounds would be more. The HMS and NCU schedules generally would not conflict because collegiate schedules were usually three game stands, on Friday, Saturday and Sunday, while the high school teams did not play on weekends except for tournaments. He added he had also had conversations with the Babe Ruth Baseball League and Little League. He noted collegiate baseball teams also had a fall season, and NCU would use the field for those games. He said NCU had a contract for beverage services with Coca-Cola, but the District had no allegiance to any beverage company. The District needed to pay attention to Title IX equity for boys' and girls' sports when considering such contracts. Staff were working closely with NCU and a landscape architect to redesign the drainage for the field.

Dr. Rieke-Smith said NCU had expressed interest in helping with restaurant/concession/clubhouse facilities.

The Board paused briefly for a working dinner.

# 3. 2018 LEGISLATIVE SESSION ADVOCACY

Dr. Rieke-Smith gave a report on the State of Oregon Legislative session. Superintendents across the state were lobbying for enough funding to provide a full eight period schedule across all grade levels, and to fund sufficient facility space to house a full schedule. There was a presentation on providing opportunities for students to earn college credit while in high school.

Mr. Collins said the District had been diligent in its efforts to be in compliance with instructional hours requirements, which would require compliance at the district level and at the schools. The District was

looking at internships and other opportunities to meet the requirements. The District would need more resources to be in compliance with state requirements.

#### 4. BOARD COMMUNICATION

Mr. Bishoff said he was currently going to school while he continued to be employed and he could not continue to serve as Board Chair. He proposed the Board discuss the issue and make a decision at the next meeting.

#### 5. ADJOURNMENT

With no other business, the Work Session was adjourned by Mr. Bishoff at 5:30 pm.

# COMMUNITY OPEN HOUSE AT NEW ADMINISTRATION BUILDING

The District hosted an open house of the new administration building from 6:00 pm to 7:00 pm.

# 2. CLASSIFIED EMPLOYEE APPRECIATION WEEK PROCLAMATION

Tony Jobanek read the following proclamation in recognition of Classified Employee Appreciation Week, March 5-9, 2018:

# **Classified Employee Appreciation Week Proclamation**

WHEREAS, the education of youth is essential to the future of our community, state, country and world; and

WHEREAS, classified employees are the backbone of our public education system; and

**BE IT FURTHER RESOLVED** that the Springfield Board of education strongly encourages all members of our community to join in this observance, recognizing the dedication and hard work of these individuals.

DATED this 12<sup>th</sup> day of February 2018.

Mr. Bishoff said he was always impressed with the District's classified employees who not only did their own jobs, but they helped kids before and after school, helped with after school programs, and always went above and beyond.

# 3. SCHOOL PRESENTATION: BRIGGS MIDDLE SCHOOL

Briggs Middle School (BMS) Principal Jeff Mather introduced members of the BMS leadership team, Paul Weill, Ben Muir, Jason Ray and Sara Kingery. They offered a PowerPoint entitled *Briggs Middle School-SPS Board Presentation*. They discussed the connection between the Board goals and BMS goals, to show how the BMS goals supported the Board and the District. They explained how they had developed the BMS goals, noting the three main goals were: support for family engagement; ensuring continued growth in content, knowledge and effective instruction; and ensuring all staff had a shared vision for equity.

Mr. Bishoff asked what the parents could do to help them support the school.

Mr. Mather said the school was always looking for community partners and would welcome a consistent community sponsor.

Dr. Rieke-Smith commended Mr. Mather for his work with the District's Equity Committee and Cadre. He had taken a leadership role with the committee and conducted a staff training in January on equity.

# 4. WORK SESSION SUMMARY

Mr. Yancey shared that earlier in the evening the Board met in a Work Session to discuss the possibility of the District entering into a partnership with Northwest Christian University on the development of the baseball field at Hamlin Middle School.

Dr. Rieke-Smith noted the State Legislature short session was underway. Superintendents across the state were lobbying for enough funding to provide a full eight period schedule across all grade levels, and to fund sufficient facility space to house a full schedule. They also had a presentation on providing opportunities for students to earn college credit while in high school.

# 5. PUBLIC COMMENT

Chair Bishoff read the following statement:

This is the portion of our agenda for public comment. I want to remind those members of the public who have indicated a desire to make comments that our policy provides for a limitation of three (3) minutes per person.

Those wishing to make public comments must complete a "request to speak" form and speakers will be called upon in the order in which they are received. Audience members who wish to make public comments must state their name and address for the record.

We encourage groups with a common purpose to designate a spokesperson. If your comments will be covered by a group spokesperson, please indicate so when your name is called.

The Board will not hear personal complaints concerning school personnel or against any person connected with the school system. Any complaints regarding a particular employee must be processed through the procedure set forth in policy, which requires that complaints be submitted in writing to the Superintendent. This procedure must be followed before there is any Board involvement with such issues.

Speakers are reminded that their public comments will be limited to three (3) minutes.

Colleen Hunter said she was a Springfield resident, retired Springfield Public Schools teacher, and an active member of Community Alliance for Public Education (CAPE), which advocated for students in public schools. She read a statement from a recent Register Guard article about action taken by the Board which allowed students to opt out of standardized assessments. She requested that the document be shared with the Oregon Department of Education (ODE).

Jesse Cox said he recently moved to Eugene and was attending tonight's Board meeting to support Colleen Hunter. He shared a letter recently sent to Colt Gill, who was recently appointed as Oregon's Education Innovation Officer

# G. Lane ESD Local Service Plan 17-19 Year 2, Resolution #17-18.030

As required by ORS 334.175, Lane Education Service District had developed a Local Service Plan. The process in developing this plan included analysis of all resolution and core service offerings available to component school districts. The 2017-2019 Local Service Plan Year One was developed in collaboration with component district superintendents, Lane ESD administrators and staff, and reviewed and approved by the Lane ESD Board of Directors on January 24, 2017. The Lane ESD Board of Directors approved the 2017-

2019 Local Service Plan Year Two on January 9, 2018. The Local Service Plan contained all services mandated by law. Local Service Plan services are intended to: improve student learning; enhance the quality of instruction provided to students; assure equitable access to resources; and maximize operation and fiscal efficiencies.

The Board of Directors of Springfield Public Schools completed their annual review of the Lane ESD 2017-19 Local Service Plan Year Two which included services for:

- Students with Special Needs
- Instruction, Equity & Partnerships (School Improvement)
- Technology
- Administrative and Support
- Custom Services.

The Lane ESD 2017-19 Local Service Plan provided a two-year framework which must be approved annually by Lane ESD and component district boards no later than March 1 (ORS 334-175 (5)(b)).

Dr. Susan Rieke-Smith recommended that the Board of Directors reauthorize the approval of the Lane ESD 2017-19 Local Service Plan Year Two and requested Lane ESD to provide the services described during the 2018-2019 (Year Two) fiscal year in accordance with ORS 334.175.

# H. Open Enrollment & Inter-District Transfers, Resolution #17-18.0031

In keeping with House Bill 3681 (HB 3681) and House Bill 4007 (HB 4007), School Boards must decide whether to open enrollment to new out-of-district students annually. If the district opened enrollment, the Board must also determine how many Open Enrollment spaces were available, indicate any enrollment limits by school and/or grade level; and admission criteria or priorities that would be applied. Additionally, districts must also declare the number of Inter-District requests they would allow to leave.

In order to maintain consistent guidelines surrounding student transfers, the district attempted to align Open Enrollment/High Priority/Within-District Transfer guidelines with those for students that resided outside district boundaries. Identifying Within-District Transfers assisted the district in determining staffing for the 2018-19 school year. Students enrolled in a Springfield school through High Priority and Open Enrollment guidelines were allowed to continue through the highest grade of that level. However, students changing school levels, i.e., elementary to middle or middle to high school, must reapply for the coming year. Inter-District Transfer approvals were valid until the end of the current school year. Students were notified to reapply through Open Enrollment or High Priority should they wish to request to attend a school outside their resident boundary school.

David Collins recommended the Board of Directors approve up to 150 Open Enrollment spaces for the 2018-2019 school year. It was recommended the Board approve up to 100 slots into Springfield and 60 slots out of the District for Inter-District Transfers.

# I. Out of State Trip, THS Publications, Resolution #17-18.0332

Kevin Ricker recommended the Board of Directors approve Thurston High School's publications' request to travel to San Francisco, California to participate in JEA/NSPA Spring National Journalism Conference. Dates of the trip were April 11 – 15, 2018. THS Publications class has successfully fundraised all monies required to cover the cost of this trip. There was no cost to the District for this trip.

#### 7. ACTION ITEMS

A. Board Policy EEBAA, Resolution #17-18.033

Mr. Yancey recommended that the Board of Directors approve the proposed amendment to the current Board Policy EEBBA, the Use of District Vehicles for Out-of-State Travel as outlined to expand the ability to utilize rental vehicles when appropriate public transportation was not available or feasible.

**MOTION:** Mr. Bessett moved, Mr. Bishoff seconded for approval of the proposed amendment to Board Policy EEBBA. The motion passed 3:0:1, with Mr. Bishoff, Dr. Hernandez, and Mr. Jobanek voting in favor of the motion, and Mr. Bessett abstaining due a personal conflict of interest.

#### 8. REPORTS AND DISCUSSION

# A. Bond Oversight Committee Report

Ken Kohl reported the Bond Oversight Committee last met in December 2017, and was pleased that HMS was scheduled to open.

Mr. Yancey added there were two major projects remaining, the Mt. Vernon Elementary School siding project and the Agnes Stewart Middle School siding project, which would be completed this summer. This would fully expend the capital portion of the bond. There would be some resources remaining for two years for technology improvements. He noted they were one meeting away from wrapping up the work of the oversight committee

## **B.** Student Communication

Erika Arciga reported that she and several students from Springfield High School (SHS) recently attended a leadership conference in Beaverton. She reported on SHS sports teams. Spring sports would begin in two weeks. Girls' basketball was currently 4<sup>th</sup> in the state. A celebration would be held for winter term athletes. The cheerleaders placed 3<sup>rd</sup> in the state. The girls' swim team placed 1<sup>st</sup> in the district and the boys' swim team placed 3<sup>rd</sup> in the district. She shared juniors would be taking ACTs. A forestry workers career day would be held. Spring concerts were scheduled in March. Students participated in this year's play, *Rumors*. The advanced wood shop classes were making electric guitars and ukuleles.

Natalli Wilson from Gateways High School reported a history teacher was planning a field trip to Portland to visit museums. Students would attend the Future Forestry Workers Convention in February. The ASB was holding fundraisers for prom. A math teacher was showing students who had jobs how to file taxes. A science teacher was teaching about waste and the impact on the environment. An English teacher was working with students on a school magazine and yearbook. Eight students recently graduated, and two students received GEDs. One student had left for basic training in army and she had signed up for the navy.

Brady Spear from Thurston High School reported winter sports were wrapping up. THS students won the district wrestling championship. Cheer placed 2nd at the state competition. One boy and one girl qualified to compete in the state competition. The boys swim relay team qualified to go to the state completion. The robotics team won a designer award. Cabaret won first in their completion. The choir class was holding a fundraiser. Safe driving week, *Drive Alive*, featuring simulated driving activities, was coming up. The college

and career center was participating in a Northwest Youth Corp trip to Doris Ranch to participate in a forest restoration project. Juniors and seniors would participate in a career fair at SHS in March. ACTs would be administered in February. Fundraising for the Mr. and Ms. THS pageant was taking place.

# C. Superintendent Communication

Dr. Sue Rieke-Smith shared visual aids and photos with Board members. The District's four-year graduation rate increased 5.4 percent for the 2016-2017 school year over the previous year, the highest rate for the District since the State began reporting four-year graduation rates in 2009. This translated into 50 more students who were successfully able to pursue post-secondary lives. This increase puts the District on track to reach its goal of 85 percent or more graduates by the class of 2021. She commended staff who committed their talents, time and gifts to the District's vision that every student could and would grow, and academically achieve, regardless of circumstances. In supporting that vision, the District had laid a firm foundation that recognized the intertwining of intellectual, social and cultural needs of its students to ensure they could access learning, beginning with positive behavior intervention and supports (PBIS), which was now a part of the District's daily practice. The District's use of skillful teacher and instructional strategies aligned PBIS and support response to instructional intervention strategies. In 2014, kindergarten teachers from across the District developed a plan for 2015 implementation of full day kindergarten. The District's EasyCBM reading data from 2015-2016, 2016-2017, and 2017-2018 continued to show gains and increasing grades of students who are on track for 3<sup>rd</sup> grade reading proficiency as a result of full day kindergarten and the work the District was doing. She offered kudos to technology staff who revised the District's data warehouse in 2016, which allowed teachers to have data that had informed instructional decisions for their students. The Board heard tonight and last month about the availability of instructional coaches to support instructional staff seeking to expand and deepen their practice that has been well received by those engaged in peer to peer interaction. As a result, today's graduates were a product of an intentional system of instruction that acknowledged both the students' intellect as well as their social and emotional needs. It was only by strengthening and sustaining the system of instruction through proactive review, revision and refinement processes, versus repeal and reactionary responses of the past that would enable the District to achieve its graduation goal by the class of 2021

# D. Board Communication

Erik Bishoff reminded Board members that the grand opening of Hamlin Middle School was scheduled for February 22, 2018. In response to Mr. Bishoff, Ms. McCulley said statistics about students opting out of standardized testing would be available at the next Board work session.

Mr. Bishoff noted a recent Register Guard letter to the editor had asked about the costs of the standardized tests for the District. Dr. Rieke-Smith said that information was provided by the State to the District and the District would make that information available to Board members.

Mr. Bishoff encouraged Board members to attend the school budget visits to demonstrate the Board's concerns for the schools.

Dr. Rieke-Smith stated the District's doors were always open to the public and staff responded to phone calls from members of the public who had concerns or questions.

Zach Bessett said he had met with Lane Educational Service District (ESD) staff last week and learned about the various services they provided to the District.

Dr. Hernandez thanked Board members for covering for him when he was unable to attend a recent Board meeting due to a family emergency.

Tony Jobanek had nothing further to add.

#### **WORK SESSION MINUTES**

12/ Board members met in a work session on February 26, 2018.

#### 1. CALL MEETING TO ORDER

Board Chair Erik Bishoff called the Springfield Board of Education work session to order in the Board Room of the District Administration Center at 4:11 pm.

#### Attendance

Board Members present included Board Chair Erik Bishoff, Board Vice Chair Emilio Hernandez, Laurie Adams, Zach Bessett and Tony Jobanek.

District staff and community members identified included Superintendent Sue Rieke-Smith, David Collins, Jenna McCulley, Brett Yancey, Kevin Ricker, Brian Megert, Suzy Price, Tom Lindly, Judy Bowden, Bruce Smolnisky, Brigid Flannery, Calli Dean, Anne Goff, Rita Svanks, Hanalei Rozen, Whitney McKinley and Linda Henry.

#### 2. PBIS STUDENT PRESENTATION

Kimberly Ingram explained she was the District's Special Programs Facilitator and PBIS coach for Springfield High School (SHS) and Thurston High School (THS). Students shared information on the systems they were working on to make their schools safer and to improve the culture and climate of the schools. THS students and faculty participating in the presentation included Sun Saeteurn, Krystal Ramos, Jasmine Cardenas, Bailee Smith, Nicole Cruse and Tona Corona. SHS students and faculty participating in the presentation included Calli Dean, Lisa Dillon, Tia Dioszeghy, Cheyanne Kester, Arwen Sperry, Francisco Escalante and Cameron Robertson.

The group offered a PowerPoint presentation entitled *High School PBIS*. THS students addressed *R.E.A.L* (*Respect, Excellence, Advocacy and Leadership*) *Colts* and SHS students offered a *Millers on Board (MOB) Squad Presentation*. Mr. Ricker explained 3,409 high schools in the U.S. were implementing PBIS, 65 high schools in Oregon were implementing PBIS, and 26 Oregon high schools were implementing PBIS with fidelity. Implementing PBIS with fidelity helped schools become a more effective, safe and positive learning environment. R.E.A.L. was used at THS in 2014-2017, and Campus Climate Team (CCT) was currently used at THS. The MOB Squad presentation explained school-wide expectations had been revamped as a way to improve school culture. The STAY **SHARP** expectations included **S**tay-aware, **H**onest, **A**ppreciative, **R**espectful, **P**ersistent.

Mr. Saeteurn said the University of Oregon (UO) was a leader on PBIS and the District was engaged in a partnership with the UO on PBIS.

#### 3. PARENTS AS ATHLETIC COACHES

Mr. Ricker distributed a handout, *Parents as Athletic Coaches*. He directed Board members to the section entitled *What is OSAA*? (Oregon School Activities Association). He reviewed the policies that were applicable to parents serving as coaches for their own children.

Mr. Jobanek said people had approached him several times before he was a Board member about parents coaching their own children in high school athletics and student activities (dance/drill, music, cheerleading,

speech) and the impact of the dynamics of parent coaches on the teams. He understood there was a national organization that had developed policies related to parents serving as coaches. He agreed to research the national organization for the Board. He suggested the District should have a policy related to parents as coaches.

Dr. Rieke-Smith agreed to bring information to the Board regarding best practices on parents as athletic coaches.

Mr. Ricker said SHS and THS provided proactive coaching training for parents.

# 4. OUTDOOR SCHOOL UPDATE

Mr. Ricker distributed two handouts, *Measure 99: Outdoor School* and *Request for Outdoor School Funds* from Agnes Stewart Middle School, Briggs Middle School, Hamlin Middle School and Thurston Middle School. He facilitated a Board discussion on the topic. He said next year, all middle schools in the District would participate in the Outdoor School Program.

Dr. Rieke-Smith said the District was fortunate that it had expanded its use of Oregon's forest resources curriculum, which was a K-12 curriculum that incorporated science and mathematics. She expressed appreciation for Mr. Ricker's work on the program and as well as the efforts teachers who had contributed to the program.

Mr. Collins stated this year was a transition year with the outdoor school program. Planning was underway for next year, which would enhance the program for all participants.

The Board took a short dinner break.

## 5. ASSESSMENT

Dr. Rieke-Smith and Dave Collins offered a PowerPoint presentation entitled *Quality Instruction Presentation* and facilitated a Board discussion:

Monitoring and adjustment

In response to Dr. Hernandez, Dr. Rieke-Smith said there had to be a total reset related to opting out of standardized testing. The State had spent about \$27 million for implementation of Smarter Balanced. There was supposed to be a library of interim assessments which was not fully formed at the time of implementation in 2014. Everything that could have gone wrong with the statewide implementation did. It was adopted at the same time the Common Core standards were adopted, which resulted in teachers attempting to understand two sets of standards plus a new assessment. Teachers and administrators around the State took their concerns to the Federal Department of Education and the Oregon Governor's office, but the State proceeded with implementation. Additionally, these programs were tied to teacher evaluations. While there were good pieces

of these programs, they got lost in the shuffle. She opined it was time to go back to the table, look at what was working across the State in other forms of assessment, and how we could be prepared to take the issue to the State Legislature at the 2019 session.

In response to Dr. Hernandez, Mr. Collins said Gateways High School was reset in the last two years, particularly around the GED process, which would provide students a better road to graduation.

Dr. Hernandez said it was important to reignite the committee to evaluate the GED process.

Dr. Rieke-Smith said there had been several staff turnovers at the State level which impacted the implementation of the programs. She intended to prepare a letter to recently appointed State Deputy Superintendent of Public Education Colt Gill about the District's concerns and to continue to work through the legislative process.

Responding to Mr. Bishoff, Dr. Rieke-Smith said there was no charge to the District for the Smarter Balanced tests. The cost was in administering the tests, which resulted in shifting resources from instruction to assessment. She would include information to the Board in the Friday update. She added the superintendents from all districts in the State were scheduled to meet this week, and she would raise the Board's concerns at that time.

#### 6. BOARD SELF-EVALUATION

Chair Bishoff said suggested the Board invite OSBA to present a workshop on Board self-evaluations. Ms. Bowden agreed to contact OSBA about scheduling a workshop. Dr. Hernandez emphasized the importance of identifying goals for a workshop.

#### 7. BOARD COMMUNICATION

Mr. Bishoff said he needed to step down as Board Chair. He asked that it be on the agenda for the next business meeting.

Mr. Jobanek said he had accompanied Mr. Yancey, Ms. McCulley and Dr. Rieke-Smith on school visits, where they discussed the budget process. They had received good feedback from District staff.

Ms. Adams said the recent school shooting had rocked her. She wanted to reach out to OSBA. The A.L.I.C.E. training had been good, but she also wanted to reach out to kids to learn how they were feeling. She wanted the Board to have a larger conversation in near future. She asked if the District's policies were adequate to deal with student walkouts and any threats.

Dr. Rieke-Smith said there were three dates this spring on which nationwide student walkouts were scheduled. The issue would be discussed at the OSBA meeting this week. It was important to engage the students and provide opportunities for them to learn. She would bring information from the OSBA meeting to the next Board meeting.

Mr. Yancey said the Oregon State Police had implemented a statewide tip line in 840 schools, and other schools were planning to participate in the program. Over 700 tips had been received by the tip line this year. The District had provided cell phone contact numbers for staff in the District. The District received six tips after the recent Florida shooting. The District addressed the tips immediately. There was zero tolerance by police and several kids had been arrested.

Mr. Collins said the District had been very intentional in trying to create safe spaces at the schools for students and staff several years. Information received by teachers, counselors and staff through the tip lines enabled the District to respond immediately.

Ms. McCulley said the District had been discussing a policy to ensure everyone was aligned if a shooting event occurred. Her professional organization, at the state and federal level, was developing tool kits to be used in discussing choices with students regarding whether or not they should walk out. Staff would bring the policies to the Board as they were developed. She added the District had worked closely with the Springfield Police Department (SPD) with messaging to the community that every threat received was taken seriously.

Dr. Rieke-Smith explained how the District worked closely with SPD and had formed a joint incident command to deal with threats.

Ms. Adams said the Facilities Committee should look at how safe the schools were and how accessible they were to potentially violent offenders. It was important to talk with the kids to understand how they felt.

Mr. Yancey said this conversation had taken place at the Facilities Committee and would be raised at the next Budget Committee meeting. Hamlin Middle School had a very tight system which could implemented at several District elementary and middle schools.

Anne Goff added teachers were concerned and would be bringing their issue to the Board.

#### 8. ADJOURNMENT

With no other business, the Work Session was adjourned by Mr. Bishoff at 7:26 pm.

# SPRINGFIELD PUBLIC SCHOOLS 2017-2018 Revenue/Expenditure Forecast As of February 28, 2018 \*\*Please see attached report\*\*

# REVENUES:

- A majority of our (current year) property taxes are received during the month of November, with collections remaining throughout the remainder of the year.
   Additionally, it is estimated that approximately \$450,000 of prior year property taxes are to be received on behalf of the District. This report is based on the information received through the Lane County Tax and Assessment office.
- The District's most significant portion of revenue is the District's scheduled Basic School Support payments. According to Oregon Department of Education's (March 1st) estimate, the District is scheduled to receive approximately 99.2% of the adopted budget. This estimate considers the anticipated drop in enrollment for the current year. Fortunately ODE funds school districts on the higher enrollment of the prior year and current year. The estimated revenue in the financial statement is based on the ADMw from the 2016-2017 fiscal year. High Cost Disability revenue has not been calculated and included in the estimate.
- The District is anticipating receiving approximately \$190,000 in County School Funds. To date the District has not received anticipated funds.
- The District is anticipating receiving approximately \$1.33 million in Common School Funds. To date the District has received approximately the entire anticipated amount.

## **EXPENDITURES**:

- Salary amounts are based upon staff allocations adopted during the budgeting process, as well as the addition of positions added during the Supplemental Budget process. This is estimated using actual data (per year-end estimates). These projections also reflect anticipated and realized retirements.
- Benefit amounts are based upon staff allocations revised during the supplemental budgeting process, along with budgeted salaries, including unallocated resources in the PERS debt service fund.
- The purchased services, supplies and capital outlay expenditure projections are based upon budgeted expenditures and anticipated to be expended similar to past trends. While historically the District has under spent these budget areas, reductions in discretionary budget no longer afford for significant underexpending.
- Other objects include the cost for property and liability insurance and is based upon premiums negotiated after the 2017-2018 adopted budget.

Additional Notes: For the 2017-2018 budget year the current estimate of ending fund balance is \$9,398,732. Included in this number is the audited ending fund balance from the 2016-2017 fiscal year (\$9,381,819).

#### 2018-2019 BOARD MEETING SCHEDULE

**DATE: MARCH 12, 2018** 

## **RELEVANT DATA:**

Board members are provided with copies of the proposed 2018-2019 Board Meeting Schedule, as a first reading.

The proposed meeting schedule reflects a similar schedule as was approved for the 2017-2018 and 2016-2017 school years. The format allows more time for in-depth conversation and engagement.

The schedule reflects one business meeting each month and periodic 4-hour planning meetings through the school year. Work sessions are proposed when a second monthly meeting is scheduled, except for dates when the planning meetings are noted.

Proposed meetings are adjusted as necessary due to federal holidays. This year Veteran's Day will be observed on Monday, November 12, so the Board meeting will take place on Tuesday, November 13. Consideration was given to schedule meetings around the annual Oregon School Boards Association conference in November, the National School Boards Association annual conference in March, and the annual United Front trip in late January or early February, so that all board members are present.

OSBA Conference	November 8-11, 2018	Portland, OR
NSBA Conference	March 30-April 1, 2019	Philadelphia, PA
United Front	Late January or	Washington, DC
	Early February 2019	C .

One business meeting is scheduled for the months of November, December, March, and May; no meeting is scheduled in July. Planning meetings are scheduled in August, October, January, and April. Budget work sessions are traditionally scheduled during the month of May.

## **RECOMMENDATION:**

It is recommended that the Board of Directors review, as a first reading, the 2018-2019 Board Meeting Schedule as presented.

NOTE: In the event of budget constraints, the school board reserves the right to adjust the district's calendar.

# **KEY POINTS ABOUT THE 2018-2019 ACADEMIC CALENDAR**

After much deliberation, the School Board adopted the attached 2018-18 academic calendar based on recommendations from the District leadership.

This calendar represents the best efforts of the District, in collaboration with staff associations, to strike a balance as it reinvests its limited resources in ways that allow it to continue improving student achievement. It also represents what the School Board believes to be best for the instructional program as a whole, working within current budget limitations.

Should more than two school days be missed for inclement weather, those days will be added to the end of the school year in order to meet minimum instruction minutes required by the State.

#### **School Start and End Times**

Begin and end times for schools are as follows:

Elementary Schools: 8:35 a.m. - 2:50 p.m.
Middle Schools: 8:15 a.m. - 3:05 p.m.
High Schools: 8:00 a.m. - 3:05 p.m.

# **Full-Day Kindergarten**

**Starting in the fall of 2015**, kindergarten students have been attending school all day, starting and ending the day with other elementary students. For more information and resources about full-day kindergarten, see www.springfield.k12.or.us/fdk.

## **First Week of School**

Springfield schools will start on **Sept 5th** for grades 1-5, 6 and 9; and **Sept 6th** for grades 7, 8 and 10-12. To support smooth transition to school, kindergarten students will have a special schedule the first week. **Kindergarteners will begin the school year on a staggered start schedule, with half attending on <b>Sept 5th and half on Sept 6th.** *Friday, Sept 7th, will be a no school day for kinders only*. **All kindergarten students will resume school on Sept 10th.** 

# **Early Release for All Grades**

The District has once again designated a number of days for collaboration. Collaboration time allows staff to work together and plan the best ways to suport individual students without requiring additional no-school days. This collaboration time is key to allowing schools to build the networks of support that can help all students achieve our vision of *Every Student a Graduate Prepared for a Bright and Successful Future*.

There are 15 early release dates identified on the calendar for all grades. High schools will provide more information about their early release schedule at registration in August.

- •All elementary schools will be released at 12:30 p.m.
- •All middle and high schools will be released at 1:15 p.m.

Elementary bus riders will be dropped off at their bus stops 2 hours and 20 minutes earlier than their regular time. Middle and high school students will arrive 2 hours earlier than normal.

All students in grades K-12 will be served lunch just as they are on a regular school day.

## Other Key Dates

- •Winter Break is December 24 January 4. With a Collaboration Day January 7. Spring Break is March 25 29.
- •The last day of school is June 13 and is an Early Release day.
- •There are 175 student contact days, including early release days for collaboration.
- •All District elementary schools are on trimester grading systems, while all middle and high schools are on semester calendars. This public calendar contains information relevant to both systems. Please note that our charter schools, A3 and Willamette Leadership Academy, have completely different calendars, which are available by contacting those schools.

# SPRINGFIELD AND THURSTON HIGH SCHOOLS DECA

**DATE:** March 12, 2018

#### **RELEVANT DATA:**

The objective of our trip is to motivate students to further develop their knowledge and job skills, develop professionally in their career area of their choice and to represent Springfield and Thurston High Schools and the State of Oregon by competing with the best in the nation at the International Career Development Conference (ICDC).

Rationale for missing four (4) school days: Attending ICDC is a once in a lifetime experience! Students learn valuable interviewing skills, gain knowledge in business and begin formulating a viable career choice. Students interact with other students from around the country and must dress professionally to present a role-play to adults. ICDC prepares students for the world of work, and education beyond high school.

#### **RECOMMENDATION:**

It is recommended the Board approve Springfield and Thurston High Schools' DECA students' request to travel to Atlanta, Georgia to participate in the DECA International Career Development Conference. Dates of the trip will be Friday, April 20, 2018 through Wednesday, April 25, 2018. Students will miss four (4) school days.

There is no cost to the district for this trip. All sub costs will be paid using SHS and THS funds.

Principal daSilva will report fundraising progress to the Mr Ricker in March 2018. It is understood trip approval is contingent upon the club/organization raising all funds required to cover all costs, including substitute teacher costs, associated with the trip.

José daSilva, Chad Towe, Kimberly Thompson and Gregory Fisher will be available to answer questions.

# Springfield and Thurston High School DECA International Career Development Conference (ICDC) Atlanta, Georgia April 20 – 25, 2018

## PURPOSE OF THE TRIP

What are the objectives of the trip and how are the experiences provided related to class or school program?

The objectives of this trip are: 1. Motivate students to further develop their knowledge and job skills by providing them an opportunity to compete with the best in the nation. 2. To provide an opportunity to develop professionally in the career area of their choice by participating in high quality workshops, competitions and caucuses. 3. To represent the State of Oregon in the election of National DECA Officers and in competition in their respective competitive areas.

How will the activities on the trip provide opportunities for students to obtain new skills, insights, knowledge, or appreciation? How will the trip provide opportunities for students to use those skills they have already acquired?

The opportunity to compete at the national level will encourage students to take their knowledge to another level. They will meet students from all over America and even other countries with similar interests. The prospective of winning the 'national title' in their event has been the motivating factor that has brought them the success at the state level.

# How will the experience motivate students for further learning?

To compete at the national level will require many hours of practice and study to prepare for competition.

## Does the trip make best use of available time and money?

Although it is expensive, it is the goal of every serious DECA member to qualify and compete at the national level. It is the payoff for working hard to be the best and serves to motivate the new and upcoming DECA members.

## What effect does the trip have on other classes or programs?

All DECA students attending are extremely strong academically. They will consult with their teachers and make arrangements to complete make-up work.

# What arrangements for transportation and other factors pertaining to supervision of students have been considered to ensure maximum safety?

Parents will be responsible for getting their child to the Eugene airport, where they will meet Kim Thompson and Greg Fisher. From there, they will fly from Eugene to Atlanta, GA. Round-trip transportation is arranged from the airport to the hotel. Oregon DECA has a strict chaperone policy of 1 (Advisor): 8 (students). At the conference, DECA hires security guards to assist chaperons and advisors for the safety of all students.

# **Fundraising**

Fundraising efforts will be considered if students qualify for the National DECA competition.

#### Rationale

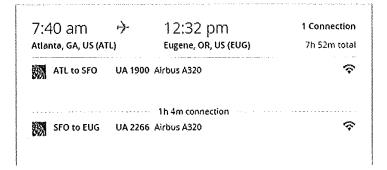

Attending ICDC is a once in a lifetime experience! Students learn valuable interviewing skills, gain knowledge in business and begin formulating a viable career choice. Students interact with other students from around the country and must dress professionally to present a role-play to adults. ICDC prepares students for the world of work, and education beyond high school.
