Welcome Back Message from Superintendent Dr. Lohman

Dear Longwood School Community,

Welcome to the 2023-2024 school year! I hope you all had a rejuvenating summer break with plenty of time to connect with family and friends. The start of school is quickly approaching, and we look forward to welcoming our students back into our classrooms on Wednesday, September 6, 2023.

As always, our students achieved so many outstanding accomplishments, both in and outside of the classroom, this past school year. We were proud to announce that two of Longwood's seniors were chosen out of only nine on Long Island as *Newsday's* Extraordinary Seniors for their kindness, perseverance, and passion. Through our college partnerships, one of our graduates made history by earning his college degree before graduating from high school. We also celebrated a New York State and Brookhaven Elementary School Science Fair first place winner, Section XI and Suffolk County Championship athletic teams, an outstanding Unified Sports program, a top honored Robotics team, record numbers of students earning the Seal of Biliteracy and Seal of Civics, and our student musicians performed at National festivals, earned All-County honors and Longwood was recognized as the top music program in all of New York State.

This summer, our schools were filled with expanded learning opportunities for our students, providing academic and social support,

for our K-12 students, including the Summer Bridge Reading Program, Extended School Year, the ENL Summer Program, transition and recovery programs, and a new opportunity for our incoming kindergarten students, the Kickstart Program.

In the 2023-2024 school year, we will continue to partner with our community to encourage innovation and inclusivity while leveraging technology to enhance engagement and personalize instruction for all students. The foundation of our community remains strong, and we continue to celebrate the diversity and inclusivity that makes us Longwood each and every day with Pride, Spirit, and Heart.

As always, we encourage our families and community members to actively participate within the Longwood School community. We value the partnership between home and school and are committed to keeping the lines of communication open. Together, we will build a strong foundation for lifelong learning while empowering our students to become responsible-contributing citizens and the true leaders of tomorrow.

We wish everyone a happy, healthy school year and a great first day. Once again, thank you for your continued partnership and support as we continue to work together for Every One Every Day!

Sincerely,

Lance Lohman, Ed.D.
Superintendent of Schools

Longwood Residents are Invited to Serve on Board and District Committees

The Board of Education invites community members to join the Board of Education and District Committees. All committees will be formed starting the 2023-2024 school year.

Board of Education Committees:

- **Legislative Committee** - Promotes school issues to federal, state, county, and town officials to enact legislation affecting education issues. The committee monitors and may initiate legislation in the interest of the district.
- **Policy Committee** - Assists the Board of Education in developing policies to guide the district's operations. Policies provide clear and concise guidelines for the administration and staff to make decisions. Membership is limited and, if necessary, determined by a lottery.
- **School Safety Awareness Committee** - The committee, is a combined effort of the community, students, and administration, will review school safety issues and procedures and develop new methods of community communication, awareness, and needs. The committee's mission is to create valuable recommendations for the district to review and implement, such as policies, programs, and events.

District Committees:

- **Budget Advisory:** Provides a representative view of the proposed expenditures that formulate the school's spending plan for the next school year.
- **Community & Culture** - Explores ways of further engaging the school community forward promoting an inclusive school culture that enhances all students' self-identity, self-confidence, and self-esteem.
- **Special Projects Committee:** The committee will meet in an advisory capacity to discuss implementing unique projects within the school district. The committee will explore various opportunities to improve our school district through collaboration, strategic planning, and research.

If you would like to join a committee, please send a letter of interest, including your name, address, and telephone number, to Lillian M. Pizzolo, District Clerk, 35 Yaphank Middle Island Road, Middle Island, NY 11953, or e-mail Lillian.Pizzolo@longwoodcsd.org no later than Monday, September 11, 2023.

Volunteers Needed for Shared Decision-Making Teams

The Board of Education invites the community to participate in the Shared Decision Making teams at the elementary schools in their community, including Ridge, West Middle Island, Coram, and Charles E. Walters, as well as the teams at the Middle School, Junior High School, and High School. Seats are also available on the Shared Decision Making team.

Shared Decision-Making teams work collaboratively on educational issues to improve student performance. The ultimate goal is to benefit students by bringing together the team members' hearts, spirit, and collective wisdom. The teams will support the district's efforts to offer the opportunity to assume a meaningful role in planning and decision-making at the school building level.

Each Shared Decision-Making team is comprised of four parents, two administrators, six teachers, and three community members. At both the Junior High School and High School, two students are part of the teams as well.

Please indicate which team on which you would like to volunteer, as well as an alternate choice. Appointments by the Board will be made based on the availability of openings.

E-mail letters of interest to Lillian.Pizzolo@Longwoodcsd.org by Monday, September 11, 2023.

Download the ParentSquare App Today!

The district's mass communication system, ParentSquare, is designed to keep our families informed while encouraging a greater engagement and connection with our school community. The unified communication platform automatically generates an account for each parent, using their preferred email address and phone number. We encourage our families to access their accounts so they can download the mobile app and update their preferences on when and how they are notified.

With ParentSquare, you may:

- Receive messages from the school via email, text, or app notification
- Choose to receive information as it comes or all at once with a daily digest at 6 PM
- Communicate in your preferred language
- Receive direct messaging

Download the ParentSquare app

- Available for free for iOS and Android devices

Additionally, we ask that our families verify their Parent Portal information, add email addresses and cell phone numbers, and ensure information is current and all fields are complete and accurate.

Follow Us!

We invite students, staff, families, friends, and community members to follow our social media channels. Our district Facebook and Instagram pages provide stories about our student and staff accomplishments, as well as photos, videos, event postings, and more! Also, be sure to follow the individual Facebook pages of each one of our schools!

Follow us at:

Facebook @LongwoodSchoolDistrict
Instagram @Longwoodschooled

Sex Offender Notification System

Parents for Megan's Law, an organization funded by the county, state, and federal government that provides community-level support with sex offender notifications, has developed an email Sex Offender Alert Program. Subscribers are notified of a new registrant's presence and directed to the Parents for Megan's Law website.

Longwood has replaced the system of mailed postcard notices with the email system. To register, visit Parents for Megan's Law at their website, www.parentsformeganslaw.com.

The organization will notify you via email each time the Suffolk County Police Department distributes a sex offender notice.

The district's internal practices are implemented to ensure the safety of our students has not changed. The security staff will continue to be advised of the description of individuals as listed, and the individuals will be notified that they are not permitted on school grounds without prior permission.

For additional information, contact Megan's Law Resource and Support Center Helpline at (631) 689-2672.

Emergency School Closing and Delayed Opening

When schools are closed for inclement weather, poor road conditions, or other emergencies, we will notify our school community by phone call, text messaging, and/or email through our mass communication system, ParentSquare.

Emergency Closings After the Start of School

If emergency weather conditions or other emergencies develop during the school day, children will be dismissed early. Be sure to designate an adult to meet your child at the bus stop if you're not available.

Two-Hour Delayed Opening

When a "two-hour delayed opening" is announced, students will report to their bus stops precisely two hours later than usual. Dismissal for all schools will be at the regular time. All students attending private or parochial schools will follow the same procedure. Should a delay be announced at 5:30 AM and conditions at 7:30 AM have not improved, officials will close schools for the day. Be sure to listen carefully to all announcements.

School closings and delays will be posted on the district website, social media channels, and announced on the following television and radio stations:

Radio Stations:

WALK 97.5 FM/ 1370 AM
WBAB 102.3 FM
WBLI 106.1 FM

Television Stations:

News 12 LI - Cable Channel 12

Family Educational Rights and Privacy Act (FERPA) Annual Notice for Directory Information

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that Longwood School District, with certain exceptions, obtain your written consent before the disclosure of personally identifiable information from your child's education records. However, Longwood School District may disclose appropriately designated "directory information" without written consent, unless you have advised the district to the contrary. The primary purpose of directory information is to allow the Longwood School District to include this type of information from your child's education records in certain school publications. Examples include:

- Longwood Life and press releases
- District website and social media
- A playbill, showing your student's role in a drama production
- The annual yearbook
- Honor roll or other recognition lists
- Graduation programs
- Sports activity sheets, such as for wrestling, showing weight and height of team members

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses and telephone listings – unless parents have advised the district that they do not want their student's information disclosed without their prior written consent.

Longwood has designated the following information as directory information (a school district may, but does not have to, include all the information listed below):

- | | |
|--------------------------|---|
| -Student's name | -Participation in officially recognized activities & sports |
| -Address | -Weight and height of members of athletic teams |
| -Telephone listing | -Electronic mail address |
| -Photograph | -Degrees, honors, and awards received |
| -Date and place of birth | -The most recent educational agency or institution |
| -Major field of study | -Dates of attendance |
| -Grade level attended | |

Note: These laws are: Section 9528 of the ESEA (20 U.S.C. 7908), as amended by the No Child Left Behind Act of 2001 (P.L. 107-110), the education bill, and 10 U.S.C. 503, as amended by section 544, the National Defense Authorization Act for Fiscal Year 2002 (P.L. 107-107), the legislation that provides funding for the Nation's armed forces.

If you **DO NOT** wish any information about your child published, please email Pamela Donovan, Public Relations Specialist, at pamela.donovan@longwoodcsd.org by Friday, Sept. 22, 2023. Be sure to include your child's name, address, school and grade.

Longwood School District's Code of Conduct (Summary)

The Longwood School District is committed to providing a safe, supportive and orderly learning environment where students may receive and district personnel may deliver quality educational services without disruption or interference. Responsible behavior by all students, teachers, school personnel, parents and other visitors is essential to achieving this goal.

The district has a long-standing set of expectations for conduct on school property, at school functions, and while using school provided transportation. These expectations are based on the principles of civility, mutual respect, citizenship, character, tolerance, honesty, integrity, and in some cases, contractually negotiated agreements as embodied in the Code of Conduct. The following is a summary of our Code of Conduct. The full text version of the Code of Conduct is available on the Longwood website.

Student Rights and Responsibilities: The district is committed to safeguarding the rights given to all students in accordance with state and federal law and district policy. Conversely, our students are obligated to embrace their responsibilities to ensure a safe, supportive and orderly school environment that is conducive to learning and to protecting the rights of others. Students are expected to conduct themselves in an appropriate and civil manner, and to learn to assume and accept responsibility for their own behavior, as well as the consequences of their misbehavior. Their responsibilities relating to school attendance, personal conduct, academic achievement and positive interactions with others are detailed in the Code of Conduct. Inappropriate behavior concerning violence, drug and alcohol use, sexual harassment, insubordination, weapons, and disorderly conduct are clearly defined and prohibited. Students are also expected to maintain appropriate and acceptable standards for dress and appearance as outlined in the Code of Conduct and District Policy.

Essential Partners: Parents, teachers, guidance counselors, principals, other school staff, the Dignity Act Coordinators, school personnel, the superintendent and the Board of Education are vital contributors to our goal of maintaining safe, orderly and successful schools and all have a role in actively supporting the implementation of the Code of Conduct.

Parents are encouraged to recognize and maintain an active role in their child's education.

Teachers, guidance counselors and other school personnel are responsible for maintaining a climate of mutual respect and dignity for all students, regardless of actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender or sex, which will strengthen students' self-concept and promote confidence to learn.

Principals: Promote a safe, supportive, orderly and stimulating school environment, supporting active teaching and learning for all students regardless of actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender or sex.

The Dignity Act Coordinators: 1. Promote a safe, supportive, orderly and stimulating school environment, supporting active teaching and learning for all students regardless of actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender or sex. 2. Serve as a resource to building and shared decision teams and wellness committees. 3. Identify curricular resources that support infusing civility in classroom instruction and classroom management, and provide guidance to staff as to how to access and implement those resources. 4. Serve as a resource for Professional Development Committee, training in support of the bullying prevention. 5. Be responsible for monitoring and reporting on the effectiveness of the anti-bullying, harassment and discrimination policy. 6. Addresses issues of discrimination and harassment or any situation that threatens the emotional or physical health or safety of any student, school employee, or any person who is lawfully on school property or at a school function. 7. Address personal biases that may prevent equal treatment of all students and staff.

Discipline Procedures: The Code of Conduct defines the responsibilities of students and staff members to report violations to appropriate school personnel and for the building principal to contact law enforcement agencies when violations constitute a crime. Also outlined in the Code are guidelines for imposing disciplinary sanctions that may include detention, suspension (from school, transportation, or other activities); or teacher disciplinary removal of a disruptive student. A disruptive student is defined as one who is substantially disruptive of the educational process or substantially interferes with a teacher's authority over the class. Disciplinary actions outlined in the Code are designed to be firm, fair, and consistent to be the most effective in changing student behavior and improving future conduct. Disciplinary procedures will respect student due process and the procedural safeguards required by applicable laws and regulations. Included are the procedural protections given to students with disabilities. Particular attention is given to managing the needs of all of our students in the course of creating a safe, supportive and productive learning environment. Corporal punishment of any student by any employee is strictly prohibited by the Code of Conduct and District policy.

Highlights

Students' Rights: The Longwood Central School District is committed to ensuring the rights of all students in the course of providing a safe, healthy, orderly and civil learning environment, including the right to due process.

Student Dress: All students are expected to dress appropriately for school and school functions. Clothing that may be interpreted as offensive, obscene, sexually and/or sensually suggestive, gang-related, or that advocates bias or prejudice, or is disruptive to the educational process, is prohibited.

Prohibited Student Conduct: Any behavior that is disorderly or disruptive, threatening or violent, insubordinate or offensive, destructive, or inappropriate for a learning environment is prohibited on school grounds, during school authorized activities, and when using Longwood Central School District transportation services.

Zero-Tolerance Issues: Possession of weapons or dangerous instruments, sexual harassment, bullying, acts of bias, the use/possession/sale/distribution of drugs or alcohol, and any violations or law will not be tolerated. Local law enforcement officials will be contacted when violations of the Code of Conduct constitute a crime.

Disciplinary Sanctions: Discipline will be administered fairly, impartially, consistently, and appropriately in order to develop student self-discipline. A teacher's response will be progressive in nature, related to the offense, and may include removal from class. Administrative responses may include detention, suspension, referral to outside agencies, and/or consideration of an alternative placement as related to the offense.

Students With Disabilities: The district is committed to ensuring that the procedures for suspending, removing, or otherwise disciplining students with disabilities are consistent with the procedural safeguards required by applicable laws and regulations.

Alternative Instruction: When a student of any age is removed from class by a teacher or a student of compulsory attendance age is suspended from school, the district will take immediate steps to provide alternative means of instruction for the student.

Student Searches: In recognition of certain societal problems which present themselves from time to time in our schools, the Superintendent of Schools, building principals, and assistant principals are authorized to conduct searches of students and their belonging where there is reasonable suspicion to believe that the search will result in evidence that the student violated the law or the Code of Conduct. Student lockers, desks and other school storage places are the property of the district and are subject to administrative inspection at any time.

Smoking: In accordance with Suffolk County and New York State law, the Board of Education prohibits smoking and the use of tobacco on all school grounds at all times, including when school is not in session.

Off-Campus Conduct: Students may not engage in off-campus misconduct that endangers the health and safety of students or staff within the school or interferes with, or can reasonably be expected to substantially disrupt the educational process in the school or at school functions. Examples of such misconduct include, but are not limited to 1. Cyberbullying; 2. Threatening, hazing, harassing students or school personnel over the phone or the internet; 3. Using message boards, internet, social media, or electronic devices to convey threats, derogatory comments or post pornographic or inappropriate pictures or videos of students or school personnel.

Visitors/Public Conduct: Visitors to the school grounds must report to the sign-in station upon arrival at the school where they will be required to sign a visitor's register and receive a visitor's pass. All persons on school property or attending a school event shall conduct themselves in a respectful and orderly manner in accordance with the provisions outlined in the Code of Conduct and in District policy.

In-Service Education Program: The Board will sponsor an in-service education program for all staff members to ensure the effective implementation of school policy on school conduct and discipline, including, but not limited to, guidelines on promoting safe and supportive school climate while discouraging, among other things, discrimination or harassment against students by students and/or school employees; and including safe and supportive school climate concepts in the curriculum and classroom management.

Notice of Non-Discrimination

The Longwood Central School District offers equal educational opportunities, including career and technical educational opportunities. It does not discriminate based on an individual's actual or perceived race, color, creed, religion, religious practice, national origin, ethnic group, sex (including sexual harassment and sexual violence), gender identity, sexual orientation (the term "sexual orientation" means heterosexuality, homosexuality, bisexuality, or asexuality), political affiliation, age, marital status, military status, veteran status, disability, domestic violence victim status, arrest or conviction record, genetic information or any other basis prohibited by New York state and federal non-discrimination laws in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. In addition, students are also afforded protection based on weight.

Inquiries regarding the District's non-discrimination policies should be directed to:

Vaughn Denton, Ed.D.

Assistant Superintendent for Pupil Personnel and Community Services
Compliance Officer

Longwood Central School District

35 Yaphank Middle Island Rd., Middle Island, NY 11953-2373

(631) 345-2163 or Vaughn.Denton@Longwoodcsd.org

A note about bus pickup times: During the first week of school, bus schedules may vary as much as 30 minutes. Please be at your bus stop 10 minutes before the start of the route. By the second full week of school, buses will run on a more predictable schedule. Please note that all routes are subject to change.

Welcome to Kindergarten!

The district, in partnership with Suffolk Transportation, has established a Kindergarten Identification Tag program. On the first day during dismissal, tags will be secured to the backpacks of all kindergarteners to assist bus drivers in identifying our newest students.

Do not remove this tag.

All kindergarten students require an authorized person with photo identification when picking up students at the bus stop. Forms are available on the website at www.longwood.k12.ny.us, Departments and Transportation.

WheresTheBus?

Families can now use the WheresTheBus application to track their child's bus arrival securely.

The WheresTheBus app is free and provides an enhanced and convenient school bus experience that delivers real-time tracking of bus locations via email and push notification alerts to assist our families in best managing their daily school bus experience.

Sign up for the app on the district website at www.longwood.k12.ny.us, Departments and Transportation.

School Bus Safety Tips

The safety of our students and staff is paramount, and we urge our families to speak with their children about safety protocols, as well as exercising good behavior while riding.

Getting on the Bus:

- Get to the bus stop at least five minutes before the bus is scheduled to arrive.
- Line up away from the street or road as the bus approaches.
- When the bus approaches, stand at least three giant steps (6 feet) away from the curb, and line up away from the street.
- Wait until the bus has stopped and the door opens before approaching the bus.
- Use the handrails to avoid falling. When exiting the bus, be careful that clothing with drawstrings and book bags with straps don't get caught in the handrails or doors.

Behavior on the Bus:

- Don't speak loudly or make loud noises that could distract the driver.
- Stay in your seat.
- Don't put your head, arms or hands out the window.
- Keep aisles clear of books and bags.
- Get your belongings together before reaching your stop.
- Wait for the bus to stop completely before getting up from your seat.
- The school bus is an extension of the classroom; therefore, cell phones are not permitted on the bus.

Getting Off the Bus:

- Use the handrail when exiting
- If you have to cross in front of the bus, first walk at least 15 feet ahead until you can see the driver
- Make sure the driver can see you
- Wait for a signal from the driver before crossing. When the driver signals, look left, right, then left again. Walk across the road and keep an eye out for sudden traffic changes
- If your vision is blocked, move to an area where you can see other drivers and they can see you
- Do not cross the centerline of the road until the driver signals it is safe
- Stay away from the rear wheels of the bus at all times

We are committed to the safety of your child as well as all of our community's children. If you should have any questions or concerns, please contact the Transportation Office at (631) 345-2775.

New York State ESSA-Funded Programs Complaint Procedures

For assistance in resolving complaints submitted to the New York State Education Department (NYSED) Office of ESSA-Funded Programs alleging that a local educational agency, grantee of NYSED has violated a law, rule, or a regulation, in the administration of any "covered Federal program" under the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA) identified below:
<http://www.nysed.gov/essa/new-york-state-essa-funded-programs-complaint-procedures>. These procedures offer parents and other stakeholders a process to file complaints and allow for the timely resolution of such complaints.

Pesticide Notification Request

New York State Education Law Section 409-H, effective July 1, 2001 requires all public and nonpublic elementary and secondary schools to provide written notification to all persons in parental relation, faculty, and staff regarding the potential use of pesticides periodically throughout the school year.

The Longwood Central School District is required to maintain a list of persons in parental relation, faculty, and staff who wish to receive 48-hour prior written notification of certain pesticide applications. The following pesticide applications are not subject to prior notification requirements:

- When a school remains unoccupied for a continuous 72-hours following an application;
- Anti-microbial products;
- Non-volatile rodenticides in tamper-resistant bait stations in areas inaccessible to children; Silica gels and other non-volatile ready-to-use pastes, foams, or gels in areas inaccessible to children;
- Boric acid and disodium octaborate tetrahydrate;
- The application of EPA designated biopesticides;
- The application of EPA designated exempt materials under 40CFR152.25;
- The use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets.

In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list.

If you would like to receive 48-hour prior notification of pesticide applications in your school, send your name, address, day and evening phone numbers, e-mail address and the name of the school to Richard Rouse, Director of Plant Facilities, Longwood Operations and Maintenance, 21 Everett Drive, Yaphank, NY 11980 or e-mail at richard.rouse@longwoodcsd.org.

To be included on notification list, you must submit a new form each year.

School Building _____

Name: _____

E-Mail Address: _____

Address: _____

Day Phone: _____ Evening Phone: _____ Cell Phone: _____

*Written notification must be provided to all persons in parental relation and staff at the following intervals throughout the school year: at the beginning of the school year; within two school days of the end of winter recess; within two school days of the end of spring recess and within ten days of the end of the school year.

Official Asbestos Notification

As required by law, the Triennial Asbestos Inspection of the Longwood Central School District was completed in February 2013. Each inspection was performed in accordance with 40 CFR 763.85 and based on the EPA's (Environmental Protection Agency) publication,

A Guide to Performing Reinspections Under the Asbestos Hazard Emergency Response Act (AHERA).

These reports are available upon request from the Operations and Maintenance Office at (631) 345-2772.

Child Nutrition - Breakfast and Lunch Program

Longwood Schools provides all students (K-12) with one free breakfast and one free lunch each day, regardless of family income level.

Through approval by the United States Department of Agriculture (USDA), Longwood Central School District is participating in the Community Eligibility Provision (CEP) Program at the start of the 2023-2024 school year. The USDA-funded CEP program is a non-pricing meal service option.

"The CEP Program helps ensure our students receive nutritious and healthy meals daily," said School Lunch Manager Tom Murphy. "The program is just another way to improve the health and wellness of students in our community. CEP helps promote student performance and concentration by providing nutritious meals at no charge."

Frequently Asked Questions and Answers

When will the CEP Program begin?

The breakfast and lunch program will begin on the first day of school, Wednesday, September 6, 2023.

Will my child be able to choose from the regular school menu?

Yes, every student will receive the same delicious and nutritious meals previously offered by our Child Nutrition Department.

Will my tax dollars be used to fund this program?

The CEP program is funded by federal tax dollars collected from citizens across the country.

Do I need to fill out a free- and reduced meal application to participate in the program?

Before the first day of school, you will receive a Household Income Form included in the welcome packets from your building principals. We recommend you complete the form to assist the district in obtaining additional available Federal or state-level grants.

Is this really for all students regardless of income level?

Yes! All students, regardless of income level, can receive one free breakfast and one free lunch each school day. A la carte items will be available for purchase separately by students.

Who benefits?

Everyone! Students can access free nutritious meals with less time spent in cashier lines and more time to eat nutritious meals.

Can my child buy additional meals or snacks?

Yes. The first breakfast and first lunch each school day are free for all

students. The student can pay for any additional items; however, no meals will be charged to student accounts.

How do I pay for additional meals/items?

Parents/guardians may prepay any amount, at any time, by sending a check or money order (made payable to the Longwood Lunch Fund) or cash with your child to be given to the cashier. Payment can also be made online using My School Bucks (www.myschoolbucks.com). Students can pay for additional meals or a la carte items with cash daily, but they will still be required to enter their student ID number. If you choose not to utilize the prepaid account option for additional meals or a la carte items, you must send money in with your child each day.

What about the money I currently have in my child's account?

The balance in My School Bucks will remain in your child's account until it is used or graduation from high school.

Where can I find the menus?

Breakfast and lunch menus are on the website. From the home page, click on "Departments" and Child Nutrition.

Where can I get additional information about the program?

Feel free to contact our Child Nutrition Department at (631) 345-2805 or email childnutrition@longwoodcsd.org.

For information about our child nutrition program and policies, visit our website at www.longwood.k12.ny.us.

Right At School Before- & After-School Childcare

**RIGHT AT
SCHOOL**

Longwood partners with Right At School to provide before- and after-school programs for elementary students. Offering this program is part of the district's commitment to providing safe, engaging and

meaningful in-school extracurricular programs to enrich the lives of students, give parents peace of mind, and enable schools to continue to focus on their academic mission.

Right At School is an organization that currently provides highly-regarded, quality services both in local school districts as well as throughout the country. The fee-based services offer a curriculum that features hands-on learning, multi-sensory activities, child-driven projects, daily fitness, team building, and leadership development. The program will provide options for families to attend before-school, after-school or both.

For program information, contact Kathleen Rainsbottom, Senior Area Manager, at (934) 867-0159 or Kathleen.Rainsbottom@RightAtSchool.com.

Central Registration

To help make the registration process easier and more efficient for parents, the district offers an ONLINE enrollment registration system.

PowerSchool enrollment allows parents to complete and sign all required forms online replacing almost all paper forms required at the start of the school year.

Online registration will take approximately 20-30 minutes for the first child, and less time for subsequent siblings in the same household. If you need to step away, be sure to save your session and log back in to resume registration.

To begin, log onto our website at www.longwood.k12.ny.us and click on Departments, and then Central Registration.

The Central Registration office is located at:

21 Everett Drive, Yaphank, NY
(631) 345-2162 • Call for hours of operation.
