

How to set up Parent Portal login

For Students

As a student, use the PowerSchool username and password that was issued to you at the beginning of the school year. Note that this is not the same as the network access username and password. Typically the PowerSchool password was sent by email to your MyLenape email account.

For Parents

- Go to <http://lenapetech.powerschool.com>
- Click the 'Create Account' tab and again 'Create Account'

Note: Do not use 'Sign In' yet, you must first set up your log in!

Fill in the fields;

- Your Name
 - Your email address
 - In 'Desired User Name' design a username you want to use. You may use **any** name **except** the Access ID.
 - Choose a password
 - In the 'Student name' field under 'Link Students to Account' field, fill in your child's name.
-
- In the 'Access ID' field type the **Parent/Guardian Portal Access ID** as it was sent to you from Lenape.
 - In the 'Access Password' type the **Parent/Guardian Portal Access password** as it was sent to you from Lenape.
 - Click 'Enter' and you should see the login dialog. You are now ready to sign in!
