O	Optimistic	I can do it!
W	Willingness	We work together.
L	Leadership	I am a forever learner.
S	Self-control	I am a super friend.

The Grace England Early Childhood and Pre-Kindergarten Center opened to serve students for the first time in August 2012. Our students, aged three-to-five, participate in a high-quality, play-based, developmentally designed program that addresses the whole child. Grace England's child-centered classrooms offer innovative hands-on learning experiences in both English and Spanish settings that support readiness for Kindergarten and beyond. Our highly-qualified teachers work hand-in-hand with parents to create a welcoming and inviting culture that honors the contribution of the family. Our Mission: Every day, **EVERY** Grace England Owl, will soar to success!

## Welcome to Grace England!

As the principal of the Grace England Early Childhood/Prekindergarten Center, it is an honor to partner with each of you to ensure our students thrive as a result of our wonderful teaching staff. It is our mission to support the learning of every child by building connections between all investors: students, families, staff, and community. We will know every child by name, strength and need and guide our students in a safe, supportive environment that promotes successful learning, and we look forward to partnering with you to achieve it.

## Owls are saying...

My children learned so much and had fun doing it. As a parent, I also saw the difference attending Grace England made in helping my children learn and make lasting memories. The detail and emphasis on all their family events was extra special.

**PARENT**

Grace England is a family, not just a job. It's a place where teachers put their students' needs first. It's a collaboration of teamwork to meet student needs that go way beyond the academics.

**TEACHER**

I love to come to school because I have fun and I learn a lot. I love my teacher and my friends.

## PROGRAM HIGHLIGHT

At Grace England, our objective is to provide a high-quality, developmentally appropriate program that achieves this "Promise".

- Uniquely designed Prekindergarten classrooms for both English and Spanish speakers
- STEM activities in the classrooms and library that encourage students to explore, design, experiment, and build
- Technology and interactive media for the youngest learners that promote an early foundation for digital literacy
- School Family Liaison who fosters an ongoing partnership between home and school by providing parent trainings, English classes, and access to community resources

## CHARACTER EDUCATION

In Klein ISD, we focus on the whole student so that every student will "level up" and engage in rigorous learning and build excellent character.

The TEKS and our Klein ISD Profile of a Learner guiding document together provide the support needed for Whole Student Character Development.

Each elementary school has a guidance counselor to assist students and families with educational, personal, and career development aspects of the student's growth.
