Welcome to Greenwood Forest!

Hello, Grizzlies!

Dr. Shukella Price
Principal
sprice3@kleinisd.net

I am honored to join the Greenwood Forest Family as your principal. I have joyfully served in education for nearly 20 years, with extensive experience at Title I schools. I have served as a science teacher, a dean of instruction, and most recently, I have successfully served as a school principal in Willis ISD. Additionally, I am a proud Klein ISD parent with twins who just graduated from Klein Collins High School.

I'm very passionate about focusing on students as the center of our work and meeting the unique needs of every learner. I believe in building strong relationships among students, teachers, staff members, and parents. I am so excited to begin partnering with all of you to motivate our students to be their best in academics and character.

I will let you know how we can meet one another and how I will stay connected with you as your principal. I'm excited about everything we will achieve together and can't wait to begin working with you and our Greenwood Forest Grizzlies!

Grizzlies are saying...

Greenwood Forest Elementary is filled with love. The teachers and every staff member have made this place a second home to my son, and he is happy to go to school everyday.

PARENT

We don't just aim to teach, we strive to inspire and encourage our students to never give up; even when faced with challenges that seem impossible.

TEACHER

I love Greenwood Forest because I know that it is a safe environment where I can share my thoughts and talk to my teachers.

5TH GRADER

PROGRAM HIGHLIGHT

At Greenwood Forest, we have implemented Multi-classroom Leaders in many grade levels which provides students access to a master teacher and allows our staff the opportunity to continuously grow in their practice, increasing student outcomes and closing the achievement gap.

As a campus, we commit to being part of the district Parent University program, hosting events throughout the school year to empower parents to find ways to participate in their child's education and support our district's vision of "Every child enters with a Promise and exits with a Purpose."

CHARACTER EDUCATION

In Klein ISD, we focus on the whole student so that every student will "level up" and engage in rigorous learning and build excellent character.

The TEKS and our Klein ISD Profile of a Learner guiding document together provide the support needed for Whole Student Character Development.

Each elementary school has a guidance counselor to assist students and families with educational, personal, and career development aspects of the student's growth.
